In returning thanks to our many customers for their abundant patronage during the past year, we venture to hope for a continuance and even an increase of their favors during the next.

We claim for our Foundry a rank among the type-manufactories of the world, equal to that of the best. Our facilities enable us to fill orders of any extent or amount. Our workmen are skilled in their several branches; our machinery is of the latest and most improved description; our matrices are entirely new; and the type we produce is unequalled for beauty and finish and of a **QUALITY** which we guarantee to be unrivalled.

We are agents for the most celebrated Power and Job Presses (English & American) for the best ink manufactures; and for the best American Type Foundries.

Our usual terms have been four months; but, in order to encourage a ready cash system, we have decided to allow a discount of TEN per cent. off News Type, and FIVE per cent. off Job Type and Snodies, on all accounts settled monthly. We indulge in the hope that a large and constantly increasing number of Printers will be glad to avail themselves of this liberal discount. Special terms for new outfits and large orders.
