Stanford Young Ladies' College and Conservatory of Music.
 Beautifully situated—Modern Appointments—A Highly-Trained Faculty—Home Surroundings—Twenty-three Years Record.
 The Stanford College has been in successful operation since 1874, and offers unequalled advantages in all its departments. It has taken high rank as a leading musical centre. Mr. W. Norman is the Musical Director, and under his direction a Normal Training School for the instruction of Teachers of Music has been established and is doing a decided business. The Art Department, under Prof. H. Martin, A.R.C.A., and the Elocution Classes, by Miss H. Gertrude Hart, of the Boston College of Oratory, are up to the best modern standards, while the Literary and Business Departments are fully manned by able and experienced teachers.

Genuine Fibre Chamois Interlining

Gives the dressmaker unlimited latitude in which to make the most pleasing fashionable effects, supplies tone to the finish and shape to the form. It not only drapes and shapes the folds to the same perfection as they are pictured in the fashion plates, but keeps them in perfect shape, FREE FROM CREASES AND CRUSHING WHEN PACKED, SAT ON OR OTHERWISE CRUSHED, AND THOROUGHLY PROTECTS AND PRESERVES THE MATERIAL AT ALL TIMES UNDER ALL CONDITIONS.

Dressmakers who have had experience using all the different interlinings now use only **GENUINE FIBRE CHAMOIS** for all their skirts, puff, butterfly wing sleeves, interlinings, etc., and now enjoy the happy dream of peace and quietness, with the full knowledge that all garments which they have interlined with the **Genuine Fibre Chamois** can absolutely be depended on, and that all their labor, skill and material have not been ruined by some poor imitation which has been palmed off on them for the sake of the saving of a few cents.
