

PARAGRAPHIC.

WHAT AN ENGLISHMAN WANTS.

Leeds, 25 Norwood Crescent, Victoria Road, Leeds.

21 January, 1884.

GENTS: Kindly send me the price of Putnam's Painless Corn Extractor. I have tried it and found it an admirable remedy. I call every three months upon the best boot dealers in the north of England. I will, if I can, profitably, buy and sell it.

Yours truly, S. DUNN.

Use only Putnam's Painless Corn Extractor. N. C. Polson & Co., Kingston, proprs.

There has been at least one altogether novel incident in the royal visit to Ireland—the honorary degree of Doctor of Music conferred upon the Princess of Wales by the Duke of Abercorn, as Chancellor of the Royal university.

FOR CANKER IN THE MOUTH, THROAT AND STOMACH.—For a wash for the mouth and a gargle for the throat, make a strong mixture of Perry Davis' Pain Killer in milk and water, sweetened with loaf sugar, and take, internally, three times a day, a teaspoonful of the Pain Killer mixed in a gill of milk and water sweetened with loaf sugar.

A horticulturist finds that a liquor made by boiling a handful of quassia chips in a gallon of water will keep rose bugs away from plants upon which it has been sprinkled. Quassia may be had at any drug store at moderate cost.

DR. SMITH'S GERMAN WORM REMEDY, or Wormerine, speedily removes all kinds of worms, cleanses the bowels of all impurities, cures biliousness and indigestion. Try it. Sold by all druggists. Price 25 cents per box.

In the year 1777 considerable interest was manifested in an announcement that six stoves had been completed in Philadelphia. The annual product of the stove foundries in that city is now valued at \$4,000,000, and the industry supports about 12,000 people.

REWARD TO ENTERPRISE—Five years ago, James Pyle of New York, first introduced his celebrated Pearl-line to the public, and now the name of Pearl-line is everywhere a household word, and millions upon millions of packages are annually consumed by our intelligent housekeepers.

When Captain Cook first visited Tahiti the natives were using nails of wood, bone, shell and stone. When they saw iron nails they fancied them to be shoots of some very hard wood, and, desirous of securing such a valuable commodity, they planted them in their gardens.

Great age carries with it a certain respectability whether it attaches to a person or a thing. This is seen particularly in the case of Johnson's Anodyne Liniment, which is the most marvelous internal and external remedy ever discovered. It ought to be kept in every house.

St. Margaret's Home 666 SHERBROOKE STREET.

A need has long been felt by those interested in works of charity in the city for a home for incurables. The hospitals had no room for them, other institutions could not take them in, and just when one needs all the care and comforts that human aid can give, and when the hope of restoration to health has been taken away, the unfortunate, whose case was pronounced hopeless, had to leave the home or hospital where for awhile he had been sheltered, to suffer the privation of a poor man's home. Now, however, there is a chance of this need being supplied. The sisters of St. Margaret's, (Church of England), from Boston, have taken a large and sunny house, No. 666 Sherbrooke Street and on or about the 6th May it will be open for the reception of incurables, and works of charity in general which do not come under the scope of other institutions. Although managed by sisters of the Church of England, the home will be absolutely unsectarian, and persons of all denominations will be received, and may be visited by the clergy or ministers they prefer. The good work that English sisters are doing may be seen in New York, Boston, and other large American cities, where the hospitals, homes, and nurseries for children are among the most heart-cheering sights of the 19th century. The refining influence of ladies, and the self-devotion that works for love, cannot but produce an effect on those who, alas, are brought so seldom under the influence of either. To do a work of this kind, however, funds are needed. A guarantee endowment would enable the sisters to extend the work to cases that would be otherwise out of their reach. It remains, therefore, with the public how far the home is to be a success. The amount of money needed is not very large, and it will indeed be a pity if we let pass this chance of ministering to the sufferings of those who, though so poor and helpless, are nevertheless our brethren in the sight of God. The Metropolitan (Dr. Medley, of Fredericton,) has kindly consented to be "Patron."
