

Leading Manufacturers.

The Simonds Saw

Our Circular Saws

MANUFACTURED BY THE
SIMONDS PATENTED PROCESS,

Having given such general satisfaction, owing to their uniformity of temper, we have at a great expense applied the principle to the tempering of Cross-cut Saws, having frequently been asked to do so; and hereafter our Cross cut Saws will be Etched and known as such. Those who like a nicely tempered Saw will do well to give them a trial.

Ask your Hardware Merchant for the SIMONDS SAW, and see that it is etched as such.
