

BELFAST BLUNTNESS.

The Rev. Jas. Hunt, of Belfast, has got himself into trouble by telling his congregation a home truth. He said in a recent sermon:

"Now, Sir, bring any Zulu to Belfast during the present week. Let him spend three days in the Catholic churches; let him see there the penitents crowding to the confessionals to make their preparations for Christmas Communion; let him note the earnestness of the rest who are kneeling in all parts of the church. Then let him spend the rest of the week in walking around the Protestant churches, marking well their bulk, for inside the barred and locked gates he would not be able to enter, and then ask him whether the devil, knowing that his time is short, could devise a greater cruelty than to endeavor to seduce the congregation of the former into the latter."

For this he has been tried for heresy. It appears that it is a worse heresy in some churches to tell the truth about what occurs in the Catholic churches every day than to deny the divinity of Christ or the inspiration of Holy Scripture. Dr. Heber Newton does this with impunity in the P. E. pulpits of New York almost every Sunday.—*Catholic Record.*

BETWEEN LIFE AND DEATH.

The Narrow Escape of a Well Known Newburgh Man.

By the Loss of a Finger Mr. Chas. Moore of that Village Nears Death's Door, but is Rescued after Doctor's Have Failed.

From the Napanee Beaver.

In the pleasant little village of Newburgh, on the Bay of Quinte Railway, seven miles from Napanee, lives Mr. C. H. Moore and family. They are favorably known throughout the entire section, having been residents of Newburgh for years. Recently Mr. Moore has undergone a terrible sickness, and his restoration to health was the talk of the village, and many even in Napanee and vicinity heard of it, and the result was that The Beaver reporter was detailed to make an investigation into the matter. Mr. Moore is a carriage maker and while working in Finkle's factory last winter met with an accident that caused him the loss of the forefinger of his right hand. It was following this accident that his sickness began. He lost flesh, was pale, suffered from dizziness to the extent that sometimes he could scarcely avoid falling. He consulted physicians and tried numerous medicines, but without any benefit. He was constantly growing worse and the physician seemed puzzled, and none of his friends thought he would recover. One day a neighbor urged Mrs. Moore to persuade her husband to give Dr. Williams' Pink Pills a trial, and after much persuasion he consented. After a few days he began to feel better, and it no longer needed persuasion to induce him to continue the treatment. A marvellous change soon came over him. Each day he seemed to gather new strength and new life, and after eight boxes had been taken, he found himself again a well man. Mr. Moore is now about sixty-five years of age, he has been healthy and has worked hard all his life until the sickness allude to, and now, thanks to Dr. Williams' Pink Pills, he is once more able to work in his old accustomed way, and does not hesitate to give the credit to the medicine that restored him to health, at a cost no greater than a couple of visits to the doctor.

Time and again it has been proven that Dr. Williams' Pink Pills cure when physicians and other medicines fail. No other medicine has such a wonderful record and no other medicine gives such undoubted proofs of the genuineness of every cure published, and this accounts for the fact that go where you will you hear nothing but words of praise for Dr. Williams' Pink Pills. This great reputation also accounts for the fact that unscrupulous dealers here and there try to impose a bulk pill upon their customers with the claim that it "is just as good," while a host of imitators are putting up pills in packages somewhat similar in style in the hope that they will reap the reward earned by the merit of the genuine Pink Pills. No matter what any dealer says no pill is genuine unless it bears the full trade mark, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Always refuse substitutes which are worthless and may be dangerous.

St. Boniface College.

This College, situated in beautiful and extensive grounds, is a large and commodious four-story building provided with electric light and an excellent heating apparatus.

BIG PROFITS

ON SMALL INVESTMENTS.

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock.

\$10.00 FOR EACH DOLLAR INVESTED can be made by our **Systematic Plan of Speculation**

ORIGINATED BY US. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS. Also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. **ALL FREE.** Our Manual explains margin trading fully. Highest references in regard to our standing and success. For further information address
