

Questions

2. On July 1, 1967, stocks of creamery butter in cold storages and dairy factories in Canada amounted to 47,406,000 pounds, compared to 57,602,000 pounds as at July 1, 1966.

3. Information not available.

*SETTLEMENT OF C.B.C. WAGE DISPUTE

Question No. 364—**Mr. Ormiston:**

From January 1, 1966, to September 1, 1967, has the government, the Minister of Labour, or any official of the Department of Labour ordered, directed, recommended, suggested or determined that C.B.C. management agree to a particular wage settlement with a specific union at a level higher than that recommended, suggested or determined by the C.B.C.?

Mr. Albert Béchard (Parliamentary Secretary to Secretary of State): I am informed by the C.B.C. as follows: In September 1966 the Department of Labour participated in the deliberations of the National Association of Broadcast Employees and Technicians and the Canadian Broadcasting Corporation, with respect to a wage dispute. These deliberations resulted in a settlement mutually acceptable to both parties.

LOCATION OF NEW BUILDINGS IN GATINEAU COUNTY

Question No. 370—**Mr. Isabelle:**

What will be the exact locations of the two federal buildings shortly to be constructed on the Quebec side of the national capital, one in the city of Hull and the other in the municipality of Lucerne in Gatineau county?

[Translation]

Hon. G. J. McIlraith (Minister of Public Works): The Department of Forestry and Rural Development Headquarters Building will be located in the vicinity of the Canadian Government Printing Bureau, in the city of Hull, Quebec.

The Forest Research Centre will be located on the west side of Mountain road, near the intersection of Gamelin boulevard, in the municipality of Lucerne, Quebec.

EXTENSION OF FISHERMEN'S INDEMNITY PLAN TO PRAIRIE PROVINCES

Question No. 378—**Mr. Stefanson:**

1. Has the government plans to extend the fishermen's indemnity plan to fishermen in Manitoba and the other prairie provinces?

2. If so, when will this become effective?

[Miss LaMarsh.]

Hon. H.-J. Robichaud (Minister of Fisheries): 1. Yes.

2. As soon as the provinces indicate their readiness to participate in the administrative arrangements for the field work of appraisals, premiums and contact with fishermen.

EXTENSION OF FISHERMEN'S SHORE INSTALLATIONS INDEMNITY PLAN TO MANITOBA

Question No. 380—**Mr. Stefanson:**

1. Has the government plans to extend the fixed fishing gear and shore installations indemnity plan to fishermen in Manitoba?

2. If so, when will this become effective?

Hon. H. J. Robichaud (Minister of Fisheries):

1. Yes, this coverage is part of the fishermen's indemnity plan.

2. As soon as the provinces indicate their readiness to participate in the administrative arrangements for the field work of appraisals, premiums and contact with fishermen.

RESALE PRICE MAINTENANCE BY FIREARMS MANUFACTURERS

Question No. 394—**Mr. Enns:**

1. Have complaints about resale price maintenance practices been received by the director of investigation and research against certain firearm companies, specifically Remington, Browning and Ithaca?

2. Has any study been made by the director of investigation and research to determine if the price fixing of guns by manufacturers through franchised dealers constitutes a restrictive trade practice under section 34 of the Combines Investigation Act?

3. Has any action against the firearms manufacturers been taken?

Hon. John N. Turner (Registrar General):

1. Yes, with respect to Remington.

2 and 3. The general practice is that no information is given out as to whether a particular inquiry has been, or is being pursued with respect to a particular group of companies or individuals unless and until a report is published or proceedings are taken in the courts.

QUESTION PASSED AS ORDER FOR RETURN

CANADA MANPOWER CENTRE

Question No. 350—**Mr. Johnston:**

1. Was it necessary to change the name of the National Employment Service to "Canada Manpower Centre" and, if so, for what reason?
