Consequently they are able to present to patrons an entertainment that is absolutely the cleverest thing of the

kind known in the world today.

Best of all, there is the miniature circus with its 12 tiny trained ponies and Lilliputian riders. It is really the prettiest thing ever seen in the world of entertainment. Every performer is below 36 inches high and the ponies only come up to your waist. This wonderful show commences its season in Toronto at Massey Hall on

Free to Men

Would You Like to Be a Strong, Husky, Manly Fellow Once More?

New Method Without Drugs

There is a new and marvelous method for restoring lost manly strength, for renewing vigor, which every man should know of, a self-restorer which operates without the use of drugs or medicine, a new way to treat yourself for your ills and weaknesses. See description below.

your innence and just as the oughly manly in your capacity as the biggest, fullest blooded, most successful fellow of your acquaintance.

The new self-treatment for the restoration of manly strength, to which I refer above, is a little light-weight VITALIZING Appliance of my invention, which is now meeting with a tremendous demand, and being used by men everywhere all over the world. This little VITALIZER, weighing only several ounces, is comfortably buckled on the body and worn all night. It is so small and so compact that even a room-mate would not suspect that you were wearing it. If, however, this VITALIZER is small in size, it is not small in power, for it generates a great tangible PORCE, which can be measured on scientific instruments, a POWER which I call VIGOR or NEFVE ENERGY; and it sends this marvelous FORCE into your blood, organs and nerves while you theep. All you have to do is to lead a decent, manly man's life, free from excesses and dissipation, then use the VITALIZER, nothing more. If this is followed out and the VITALIZER does for you what these others say it does for them, then all the pain or weakness will disappear from the small of your back—possibly from the first night's use—and you will be restored to a strong, vigorous, manly, capable man, without a single ache, pain or weakness. Please remember. I am not asking you to buy one of these VITALIZERS, but merely request you to first send for the free book described below, a section of which is devoted to an explanation of this VITALIZER, and gives you its whole wonderful story, so that you may know what intelligent young and elderly men everywhere are saying about it.

This is the Book You Get Free

My 86-page illustrated booklet (pocket size) was compiled by me to answer fully and correctly those questions which are asked privately by any man reacting new strength and who seeks personal advice pertaining to the aliments and weaknesses he wishes to overcome. The book, fully illustrated, with photo reproductions, contains much that a single or married man should know. It also fully describes my VITAL-IZER and tells how you may secure one to use in your own case, should you decide you want to use one. Remember, the book is sent absolutely free, in plain, sealed envelope. Why not write for a copy today? Or, if nearby, please call. Hours: 9 to 6. Entrance: 6 Temperance Street.

DR. A. B. SANDEN CO., 140 Yonge Street, Toronto, Ont. Dear Sirs-Please forward me your book, as advertised, free, sealed. NAME

THE SUNDAY WORLD

Mrs. Flora MacDonald Denison, who went to Europe to attend the Woman's Congress at Budapest, writes from Paris to The Sunday World on the striking features of the French fashion mart. Mrs. Denison, besides being the leader of the movement for women's suffrage in Canada, takes an interest in all things pertaining to the fair sex, and her observations on the modes are well worth reading.

We also have a new department called "The Leisure Hour," edited by Victoria English, one of our best women writers. She gives a number of valuable suggestions for garden parties and writes on women subjects in an attractive manner.

The women's features of The Sunday World are increasingly interesting. We give each week suggestions for embroidery work, a sheet of popular music, a series of free music lessons, a good serial story, George Ade's fables in slang, some medical hints by Dr. Gordon

Bates, a pen sketch by the greatest of all women artists, Nell Brinkley, and a four-colored fashion front page that appeals.

The Pictorial Section is especially attractive this week, covering the Canadian Canoe Association Regatta, the Toronto-Buffalo polometry, Henley Bogstta, Whith match, Henley Regatta, Whitby Horse Show, Lennox picnic and a multitude of subjects Canadian and foreign
