RED CROSS BAZAAR

A very successful bazaar and garden party in aid of the Red Cross Fund was recently held at the residence of Mr. and Mrs. Thomas Pigott, 32 Havelock street. The amount realized being \$150. The lawn was tastefully decorated with many flags of the allies and colored lights added a pretty setting to the different booths, which were presided over by the Misses Ferries, Duckworth, Moody, Lemon, McAtor, Holmes, the Misses Thompson and the Misses Vera and Ella Shipp. An added attraction was the gipsy fortune-teller—Mrs. Nicol—who was much patronized. The evening closed with the announcement of winners of the various guessing competitions, and an auction sale at which Messrs. Cousins, Duckworth and Alexander officiated.

BORDEN HONORED BY OLD FORMULA

Quaint Ceremony at Confering of London's Freedom on Premier.

AUDIENCE OF NOTE

Canada's Premier Admitted Member of Corporation as Leather Seller.

Canadian Associated Press Cable.

LONDON, July 29.—Those present at the confering of the freedom of London upon Sir Robert Borden today included: Premier Asquith, Right Hon. Bonar Law, Austen Chamberlain, Walter Long, Arthur Henderson, Herbert Samuel, Lewis Harcourt, the Earl of Selborne, the Bishop of London, Lord Islington, Sir George Perley, S. B. Bennett, M.P.; I. C. Christie, Dr. Fyne, Major-General Hughes, General Steele, General Carson, W. L. Griffith, Obed Smith and the mayors of the metropolitan boroughs.

The music of the "Maple Leaf" from the lord mayor's recruiting band heralded the arrival of Sir Robert Borden. The vast company rose in a body and cheered the premier of the Dominion as he entered the Guild Hall.

Of Good Name and Fame.

Amongst the quaint ceremonies that followed was the declaration by the purveyors of Sir Robert "being a man of good name and fame, that he does not desire the freedom of the city whereby to defraud the king or this city of any of her rights, customs or advantages; but that he will pay his scot and bear his lot, and so they all say."

This declaration, which has come down thru the ages, aroused something of a smile among the company.

Greeted as Leather Seller.

Addressing Sir Robert, the chamberlain proceeded to read the ancient corporation in desiring to pay honor to you and thru you to the great Dominion whose mind and spirit you represent so finely, and in the hope that you are paying honor where honor is due, and now as chamberlain of the city for the time being, I have the honor and privilege of offering you the right hand of fellowship. Greeting you as a citizen and leather seller, I have also the honor on behalf of the lord mayor, aldermen and members of the common council, to ask you to accept from them the casquet which will contain the certificate of your freedom, and to express the hope that your strenuous life may long be spared health and strength for the service of the empire.

PERRIER WATER FROM SUNNY FRANCE

Will Replace That Formerly Imported From Germany.

A great amount of mineral water consumed in England, the United States and Canada has up to now been imported from Germany. This has not been commonly known, but it is now being explained that one of the two well advertised brands are bottled and sold from Germany.

Just as German beer will be shunned in this country, so will mineral water and all other products of Germany. It is of interest to know that "Perrier" Nature Sparkling Water, from Les Bouillens, Verzeze, France, a water the equal if not superior to any in the world.

Mr. Brennan has only recently returned from France, and reports that nothing impedes free shipment, thanks to the supremacy of the British navy in maintaining the freedom of trade routes on the seas.

"Perrier" water is sure to find immediate favor with Canadians, and presents an opportunity to trade with our allies to the discomfort of German manufacturers and distributors.

York County and Suburbs

OPINIONS DIFFER ON INSURANCE

Much Confusion at Meeting Considering Life Policies for Soldiers.

MANY SPEAKERS HEARD

Runnymede Audience Failed to Reach Decision on Proposals Submitted.

If the members of the York Township Council were awaiting the result of last night's big meeting in the King George school out in Runnymede upon which to base their subsequent action in respect to soldiers' insurance in the township they would be at a loss to formulate any line of policy, plan or action acceptable to all. From start to finish the gathering was a spirited one, and swayed by each speaker in turn cheered the advocates and opponents of soldiers' insurance in the county.

Throughout the evening there were sharp interchanges of opinion, and Runnymede in its palmiest days probably never saw a larger or more keenly interested gathering than that of last night. There were many stormy passages, and in the end the gathering broke up in confusion. In only one feature were they in thorough accord, and that was the singing of the National Anthem and cheers for the boys at the front.

Two Meetings Called.

At the outset two meetings had been arranged for in the Runnymede district, one in Cook's Hall in favor of the insurance of soldiers, and the other in King George School ostensibly with an open mind. In order to prevent clashing and also view of the fact that the latter meeting was much larger the gathering in Cook's Hall was disbanded and adjourned to King George School.

At the latter Samuel Clouston presided over a crowd that jacked the speaker in the big auditorium, many women being among the number. Later in the evening a crowd of the club of two very fine wrist watches. Capt. Cooper delivered a patriotic address.

Called to Order.

In only one case, that of F. C. Leadbeater, the first speaker, was there any personal reference, the latter referring to Mayor Church as Tom Fool Church, for which he was promptly called to order. A. F. Freers, strongly espousing the cause of soldiers' insurance, evoked tremendous applause by his advocacy of the aidmen and members of the common council, to ask you to accept from them the casquet which will contain the certificate of your freedom, and to express the hope that your strenuous life may long be spared health and strength for the service of the empire.

Deputy Reeve Fred Miller and Messrs. Graham and McKee, members of the council, favored a government scheme. Many references were made to the fact that the farming community should be held responsible for an equal share of the taxes with the artisan in the township. A letter of regret from Mayor Church addressed to J. C. Woolner and meeting was during the evening laid on the absence of Chairman Marling during the gathering. The Chairman, refused to allow the letter to be read, charging that the letter was a personal one in that Mayor Church

NEW JUSTICE OF THE PEACE

An outstanding statement of Reeve Griffith was: "We will never allow Mayor Church to decide the policy of York Township. We are elected to do that and will perform it. A motion favoring the insurance of York Township soldiers was introduced, but never submitted, the meeting breaking up in confusion."

ST. HILDA'S GARDEN PARTY.

The Russian Juvenile Band of 42 pieces will be the special attraction at the annual garden party in connection with St. Hilda's Anglican Church Fairbank to be held on the church grounds on civic holiday. A good program of sports has also been arranged.

They propose to hold a recruiting meeting on a large scale at the corner of Bloor and Lansdowne, and are arranging for several prominent speakers to address the gathering. The band of the Q.O.R. will be in attendance, and the date will be announced later.

ASSAULT ON SOLDIER BY TWO FOREIGNERS

"You Will Never See the Front," Shouted Watson's Assaultants.

With an outburst of profanity and the exclamation: "You will never reach the front," two men, believed to be foreigners, last night assaulted and stabbed Peter Watson, a private in the 12th York Rangers, near the corner of Church and Gloucester streets. Watson, who resides at 11 Gloucester street, was escorting a young lady friend home, when the two men drove up in a buggy and stopping their horse abruptly sprang upon the soldier.

Watson defended himself as best he could against his two assailants, and succeeded in putting them to rout, but not before he had been slightly wounded and stabbed in the hand. Watson was able to get assistance to the General Hospital, where it was found a finger of the left hand had been badly gashed. No trace of the alleged assaultants could be found at a late hour this morning.
