# RAY STREET FIRE.

Thousand Dollars' Damage Caused in  
Paul Building Today

Shortly after one o'clock this morning  
a fire broke out on the top story of the  
Paul Building, 72-74 Bay Street. Before  
the flames were subdued 3200 damage  
had been done to the building and about  
\$1000 to the stocks of the different com-  
panies occupying the lower floors.  
The Canada Finance Company rented  
the floor on which the blaze occurred.  
Under them were the Doda Pill Com-  
pany, Swartz Fur Company and the E. S.  
King Company. All these firms had their  
goods damaged or lost by water.  
Nightman Major of the Dominion Signal  
Company was thrown ten feet when he  
touched a stove charged with electric-  
ity. He was not seriously injured, however.  
It is thought that the fire was caused by  
defective wiring.
