Keep Your Money Earning Interest

If you have money coming in during the next twelve months,
 —if you have promissory notes coming due, a mortgage maturing, an estate to be settled, dividends or interest accruing to you,
 —money from any source which is reasonably certain;
 —You can buy Victory bonds in anticipation by arranging with any chartered bank to carry you until your money comes in.
 —And it won't cost you a cent to do it,
 —because the bank will lend you the money at the same rate of interest which the bonds will be earning.

It means that from the moment you get your money and repay the bank, your money begins to earn interest at 5½ per cent —your money is not idle for a minute.

Canada's Chartered Banks have offered to assist investors to buy Victory Bonds with money they expect to get during the year.

This is your opportunity to help your country and to keep your money invested in an absolutely safe security bearing good interest.

Why not see the banker about it to-day!

Borrow and Buy Victory Bonds
