tent of the war the premier said that new states had sprung into existence, some of them independent, some semi-independent and some that might be protectorates, and altho their boundaries might not be defined, some indication of them must be given.

The time spent by the peace conference in framing the league of nations plan saved time instead of wasting it, warned, Lloyd George declared, as the league would provide a means of adjustment

The Russian Situation. Referring to the Russian situation, the allies should make peace with the premier said he might be asked her. why he supported Admiral Kolchak and Gen. Denikine. He would tell the house frankly, he said: When the treaty of Brest-Litovsk was signed, he explained, large parts of Russia had no hand in the shameful act and were in revolt against the government which signed it. "They raised arms at our instigation and largely at our expense," he added, "but that was absolutely sound military policy, because without those organizations the Germans would have secured all the resources which would have accured all the re-

"Bolshevism," continued the premier, "had threatened to impress by force of arms its domination over those populations which had revolted adding: against it and it would have been an "A re act thoroly unworthy of any great land to say to those people, 'We are exceedingly obliged to you; you have served your purpose and we need you no longer,' and have left them to the Bolshouth the land and the left them to the by John R. Clynes. Labor leader, whether approaches for peace had

Duty to Promise Support. It is our duty, since we asked them to take this step, to promise them support. We are not sending troops, because every Russion thought that if Russia were to be redeemed she must be redeemed by her own sons, and they asked that they be supplied with the redeemed that they be supplied with the redeemed that they be supplied with the redeemed that they asked that they be supplied with the redeemed that they be supplied with the redeemed that they be supplied with the redeemed that they asked that they be supplied with

authentic quarters."

Premier Lloyd George concluded by appealing to all "not to soil this the necessary arms."

He continued. "Our policy is to arrest the flood of the present forcible reuption of Bolshevism into allied eruption of Bolshevism into allied ands and for that we are organizing all the forces in allied countries bordering on Russian territory from the Black Sea to the Baltic. If the Bolshe-Black Sea to the Baltic. If the Bolshe-blied Sea opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Labor opposition, following Premier Lloyd George, said in regard to the Situation simply to say that they "are behind Sir Adam Beck, God bless him." He asked, "Are those who promoted the provincial Hydrosince? We hope so, but if it is a good thing for them to accuse us of alcoy of the manner Loyd George and Cameron.

Conference's Difficult Work.

No conference in history, said the premier, had been faced with problems of such variety, complexity, magnitude and gravity. The congress of Vienna, which was the neares: approach to it, took 11 months for its work, but that congress, Lloyd George pointed out sank into insignificance in comparison with what has been settled by this conference.

After referring to the world-wide extent of the war the premier said that new states had sprung into existence, some of them independent, some semi-independent some semi-ind

mans would have secured all the resources which would have enabled them to break the blockade."

"Bolshevier"

come from Russia, the premier said:
"We have had no approaches of any sort or kind. None have been put before the conference. I have only heard reports that others have pro-

Lord Robert said it was impossible to exaggerate the economic situation in Europe. He wanted the indemnity question settled and the blockade lifted as soon as possible.

scene and said that if we adopted this agreement arrived at by the officials we made the carrying out of the Hydro radial scheme impracticable. I take my radial scheme impracticable. I take my stand now for myself and on behalf of my constituents that I am not going weeks!"

Final Vote on McBride Amendment Was Fifteen to Eight.

TAKING IT TO COURT

If It Costs a Thousand, is Threat of Irrepressible Controller.

After another day's exhaustive discussion of the Metropolitan railway question, the city council by 14 votes to 11 agreed to the board of control's recommendation that legislation be applied for in terms of the Beck draft bill, but deleted the words of decide the matter from a local—a domestic—standpoint, "Sir Adam Beck's

draft bill, but deleted the words of the board of control's report that "the proposed solution of the Hydro-Electric Power Commission of Ontario be adopted." Controller Sam McBride, who was responsible for this amendment in council, after the board of control's report had been adopted by 17 to 8 in committee, and the amendments defeated, was greatly elated. The mayor, on the other hand, while he would have liked the words deleted left, in fact, took the view that it was a Hydro victory, and said a government bill was being introduced in the legislature that evening. The line-up on Controller McBride's Harper, customs broker, 39 West Welline-up on Controller McBride's amendment was: Yeas, Controller McBride, Aldermen Beamish, Bird-

DEATHS.

MACDONALD—On Monday, April 14th, 1919, at 188 Belsize Drive, Toronto, Alice Agnes Mary Macdonald, dearly beloved wife of Ralph C. Macdonald, and eldest daughter of Alfred B. Morine.

Sir Adam Beck.

Sir Adam Beck, who was ag

Mr. Johnston: No.

When the council resumed in the morning after the stormy scenes of the previous night, the question was raised as to the legality of the meeting, the mayor giving the ruling that it was legal. Controller McBride resolutely contested this, threatening that "anything done here today I will bring into the courts." The mayor's ruling, into the courts." The mayor's ruling, however, was sustained by 17 votes to 2, the "nays" being *Controllers Mc-

league and not merely a league of allies to safeguard the future world allies to safeguard the future world peace. He added:

"We want not only to secure justice, or even security, for those who engaged in this war, but to provide means for a general pacification of the world and to secure co-operation beworld and to secure co-operation between all nations."

Then Sir Adam Beck came on the scene and said that if we adopted this agreement arrived at by the officials agreement arrived at by the official agreement arrived a
