

LOCAL MARKET.

WEEKLY REVIEW.

London, Wednesday, Dec. 5.—Twenty-five loads of hay were marketed today. Sales were brisk at \$13 to \$14 per ton. Straw sold at \$4 per ton.

Oats were in fair supply at \$1.07 to \$1.10 per cwt.

While the markets held here the past week were fairly well attended, the amount of business transacted was hardly up to the average for this time of the year. Sales as a rule are moderately brisk. Prices were firm, excepting for potatoes and apples.

Grain—Oats are in good demand at \$1.07 to \$1.10 per cwt. The supply is fairly large. Barley is scarce at \$1 to \$1.05 per cwt. Only an occasional load of corn is offered; sales are made at \$1 to \$1.05 per cwt. American corn is being laid down here at 90c per cwt. Beans bring \$1.40 to \$1.50 per bushel for handpicked.

Hay and Straw—The demand for hay is good. The supply is not as large as last week. Sales are made at \$13 to \$14 per ton. Straw is scarce at \$3 to \$4 per load, or \$5 when sold by the ton.

Butter and Eggs—The supply of butter about equals the demand. There is a firmer feeling, and the prospects are that prices will remain firm for some time. Sales are made at 25c to 26c for choice crocks, and 24c to 25c for pound rolls. Eggs are scarce at 27c to 30c per dozen for fresh laid.

Potatoes—Prices are inclined to be easier, and if the opinions of the shippers are of any value prices will be at lower. Sales are made at present at 70c to 80c per bag.

Apples—Prices vary considerably, according to the quality. Most of the choice barrels sold at \$1.50 to \$2. Some extra choice barrels of Spies sold as high as \$2.50. From what the shippers say the farmers have neglected their orchards by not spraying or pruning the trees, which accounts for the small sized apples, and the scabby condition of the fruit.

Poultry—The demand is good, as there has been a lot shipped. An idea of the importance of this city as a shipping center for poultry may be had when it is stated that over 100,000 turkeys, geese and ducks will be shipped by one firm from here. They are sold mostly in Northwest markets.

Prices on this market are as follows: Dressed chickens, 10c per pound, or 90c to 95c per pair; alive, 7c to 8c per pound, or 50c to 70c per pair; ducks, 3c to 10c per pound, dressed; geese, dressed, 12c to 14c per pound; turkeys, dressed, 12c to 14c per pound.

Butchers' Meat—Beef continues to be a slow sale at \$5 to \$6 per cwt. Veal, scarce, at \$3 to \$3.50. Mutton, \$2 to \$2.50. Lamb 10c per lb. for the carcass.

Hides and Tallow—Hides have dropped 1c to 2c per lb. Tallow is a half-cent per pound higher. At 3c for rough, and 6c for rendered.

PRODUCE MARKETS.

Toronto, Dec. 5.—The breakfast market is generally dull, and the only live demand is for milk. Quotations have changed little.

Wheat—Ontario, No. 2 white winter, 70c to 71c; No. 2 red, 69c to 70c; No. 2 mixed, 68c to 69c; Manitoba, No. 1 northern, 69c; No. 2, 68c; No. 3 extra, 40c to 41c; No. 4, 39c; No. 5, 38c; No. 6, 37c; No. 7, 36c;
