### BASEBALL.

#### ST. THOMAS WON.

St. Thomas, Sept. 12.—St. Thomas won their eighth consecutive game yesterday afternoon, and stepped up into first place in the race for the Canadian pennant. Both pitchers did great work. Crowe was in for the Londons and was effective at critical moments. Robb pitched for the locals. He also did good work, only allowing six small hits, and these were scattered. The weather was much warmer, and the crowd fairly large. Snyder was behind the bat for the home team, replacing Sullivan, who had his finger split on Saturday. The Queen City catcher played a good game, and only allowed one man to steal a base. The score: St. Thomas, 11; Londons, 10-5. Batteries—Robb and Snyder; Crowe and Lohman. Umpire, Lydon. Attendance, 800.

#### CHATHAM WON FROM HAMILTON.

Hamilton, Sept. 12.—Chatham had only nine men here today, and had to play Pitcher McCann at left, Pitcher McVane at right, and Catcher Reid at first, yet the team put up magnificent ball and had all the luck. Watkins pitched well and got grand support. Bradford, who pitched for Hamilton, was hit hard. The score:

### TOO WEAK TO WORK.

A Collingwood, Ont., painter tells how Milburn's Heart and Nerve Pills strengthened his nerves, invigorated his health, and restored his health.

Weak heart and weak nerves mean weak body. No one can be strong and vigorous with the heart and nerves disordered or diseased. Milburn's Heart and Nerve Pills not only overcome all danger due to irregularity of the heart beat, but through regulating that organ, strengthen the nerves and enriching the blood they give new vitality and energy to the whole system.

Mr. Geo. Gray, the well-known painter, corner of Napier and Simcoe Sts., Collingwood, Ont., says: "For fifteen years past I have been afflicted with very weak nerves and heart trouble. I never could obtain sufficient sleep and felt as tired when I got up in the morning as when I went to bed. In addition to this I suffered much from palpitation of the heart and shortness of breath. My blood was thin and watery and I soon lost flesh and became debilitated. It was a great task for me to walk any distance or follow my usual occupation."

"In March last I got a box of Milburn's Heart and Nerve Pills and they did me so much good that I bought another box. The great change for the better they have worked on me is wonderful. My nervous system is now as strong as ever, my blood has been enriched and my heart beats strong and natural. I now walk and work as well as ever I did and am only too glad to recommend these pills to all who suffer as I did."
