PHONE RATE CASE AGAIN WEDNESDAY

R. T. Jeffrey, of Hydro, Testifies Regarding Probable Life of Plant.

Ottawa, Jan. 14.- (Can. Press)-At ing of the Bell Telephone rates case which has been progressing steadily for five days before the Board of Railway Commissioners, was adjourned until Wednesday, Jan. 19. Toronto's case against the application was, it erstood, not concluded, and evidence will probably be brought forward by other municipalities next week, after which argument by counsel will be heard. It will probably take several days to bring the hear-

Lockhart Gordon, of Clarkson, Gor don and Dilworth, Toronto accountants, was the chief witness produced by G. B. Geary, K.C., on behalf of the cay of Toronto. He presented an elaborate analysis of the Bell Telephone Company's cost accounts on a cash basis, designed to show that the company is in a better condition than its management is willing

Salter, head of the C. B. O. Salter, head of the pur-chasing department of the Hydro-Electric, gave evidence to the effect that the cost of materials and man ufactured goods are going down. Hydro Expert is Heard.

More expert testimony was give or Toronto by R. T. Jeffrey, head of the municipal department of the Hydro-Electric Commission of Ontarlo. Mr. Jeffrey stated that the depreciation account established by the Hydro-Electric was primarily based upon the experience of other com-panies, but it was later modified, on the basis of experience gained meet its own requirements.

The Hydro-Tlectric had been unable so far to establish the probable life of plant and pole lines, but they had one line that has been in use for ten years, and it was good for some years

Average Depreciation. The Bell Telephone Company officials, in their evidence, put the average life of plant at ten years. On the main transmission lines, the witness lines. The Hydro-Electric, he says, buys a part of its equipment from the exhibition at Mr. Reid's home. Northern Electric Company.

Cross-examined by Mr. Osler on the

matter of depreciation. Mr. Jeffrey said it was on steel as well as wooder pole lines. Asked if the Hydro-Tlectric has had such an experience as to form a basis for a revision of rates, Mr. Jeffrey intimated that some consideration was now being given to the question of rates. "Are you beginning po require a little money?" |queried

"Our trouble is," replied Mr. Jeffrey, "that we have so much money we don't know what to do with it." The reply caused general laughter. and Mr. Jeffrey explained that he was referring to the municipalities and not to the Hydro-Electric.

DELEGATE RETURNS FROM SEAMEN'S CONVENTION

Captain R. J. Stitt, one of the head officials of the Masters', Mates' and Pilots' Association, is returning this afternoon from the convention which was held in Ottawa during the week. respecting the work accomplished at cat, Irving Morton early today forced this convention, but unofficially it is his wife to become his target and stated to have been the most momen-tous gathering of the clansmen of the into her body. Then he turned the well-known amateur athlete, at one seas and lakes in Canada. death. Following the tragedy, the family of William Morrison moved from 243 Niagara street to 634 Richmond street, including Ernest Jones, who gave evidence last night.

Jones testified that shortly after being shot Bonniwell had said, "Sam hit me." He had asked him (Jones) to go to his mother's with him before that. He did not notice just where Bonniwell was at the time he was shot. Morrison mated it would cost at least five cents a bushel to handle the grain Preachers, lawyers, doctors and farmers and other men of moderate was at the time he was shot. Morrison was in the dining-room with Leoni when he saw him last. Leoni appeared to be sober, but Morrison was under the influence of liquor. Bonniwell was standing in a bent position, bleeding at the mouth, in the parlor when he saw him and he laid him on the floor. Jones' remembrance as to whether Bonniwell shook hands with Morrison on the street before the shots were fired was very

before the shots were fired was very hazy, and when pressed by Mr. Harvey Snyder, he confessed that the statements be made to the police were wrong.

Leoni's Brother Testifies.

Adam Leoni, 248 Claremont street, a brother of Sam' Leoni, is out on ball as a material witness and on the stand last wholesale and retail prices of beef was declared by C. A. Canby of the Chicago Board of Trade, to be "de-trimental" to the cattle industry, and a material witness, and on the stand last night, thru an interpreter, stated that Morrison and Sam had left his house Morrison and Sam had left his house about 11.40 p.m., after drinking one or two bottles of "real beer" each, He denied that sam had left a revolver there, or that any words had been spoken about at all. He didn't know that his brother had a revolver. On being questioned by Mr. Snyder about the peculiar fact that he was out on the street with a big roll of monity and sandwickee early in City, Minn., said he had appeared at that he was out on the street with a big roll of money and sandwiches early in the morning, he said he was out for a breath of fresh air, as he had been in the house all day; and he intended to drive around the city in a closed car and eat the sandwiches en route. He thought that, altho the auto was closed in, ne could get all the air he wanted, as the

night was cold.

Robert Munro and Ernest Preston are being detained in the Don jati as material witnesses, and the former on the stand said that he was standing at the door when Leoni fired the shots, and immeposition and shaking his hands. He gasped: 'I'm shot! I'm shot!' and imtire families are reported to be in a starving condition. Many of them land, 24, and employed in the city, are living in miserable crowded was summoned by telephone. He broke when the shots were fired.

HAMILTON

Hamilton, Jan. 14.—Addressing the embers of the Hamilton Automobile Club at their annual meeting in the Royal Connaught Hotel tonight, Hon. F. C. Biggs, minister of public works, announced that by June next all steel would be in position on the local en-trance to the Toronto-Hamilton high-way, and that nothing would inter-

fere with its completion on schedule time, unless it was the shortage of cement, but he thought this material would be available. Hon. Mr. Biggs said that there were 250 plans with marked cheques on his desk in Toronto tonight for work in Ontario next year. His department was to be a factor in solving the labor situation, he declared.

Mentioning automobile matters, he said two million dollars were collected in licenses last year, and he would be well pleased if there was an equal amount this year, as he doubted very much if there would be the same sale for new cars. He looked for a shrink-age in the demand, he said.

Charles S. Morgan, who is acting for Lloyd Martin, 161 King William street, who is charged with disorderly conduct in Binbrook on the night of the Whitworth murder, announced tonight that Martin will come before Magistrate Vance of Wentworth again in the morning, and application will be made for ball, as the charge is not of a serious nature.

QUEBEC LIQUOR LAW

Five Million Dollars' Worth Escaped Provincial Tax.

Quebec, Jan. 14.-The government liquor law will be brought before the house in a day or so and will be pre-ceded by a general caucus of the Liberal party, ministers and private members, to be held on Tuesday morning. At this caucus the outlines of the scheme will be submitted to the members and the reasons that are prompting the government to take absolute charge of the liquor business, will be laid before the members.

Startling Figures.

Some startling figures as to what has been happening under the existing prohibition legislation were givout to government supporters toen out to government supporters to-day. There is supposed to be a five per cent. tax on every bottle of liquor sold by a vendor, and it was asserted that whereas the vendors had reported that they had sold about \$1,500,000 worth of liquor, the reports from the importers indicated that they had disposed of over \$6,000,000 worth to the vendors, so that thing like \$5,000,000 worth of liquor had been sold on which the govern-

ment had got no tax.

Wholesale Prescriptions. It was asserted that the total amount of liquor imported into the province Scott act in Quebec. It was also asserted that altho there are over two thousand doctors in the province, the thousands of prescriptions that have been issued came from about a couple branches of the service.

Mr. Main was president of the Canadian Incinerator Company, president of the Policy Holders' Mu-
