

# Coats for the Little School Girl

**C** COAT of navy blue zibeline with large pockets and high military collar, at the top of the page on the left is trimmed with military braid and brass buttons.

**I**N the center is a little girl's coat of dark brown velvet, showing mother Hubbard yoke effect with collar and cuffs of brown sable. White ribbon hat, trimmed with ostrich feather makes a costume in which the little girl attends Sunday school, church, etc.

**O**N the right is shown a child's dressy coat of brown velvet fashioned in Russian style buttoning to one side, with large novelty buttons. Blue fox trims the collar and cuffs. A velvet hat with satin band and silk flowers is a becomingly addition to a charming "best" toilette.
