SUPERIOR PAINLESS DENTISTRY!

"There is a world wide cry against the dentists that they torture their patients. Those of strong physique submit and endure the agony. With a second class this is simply impossible, and thousands of teeth are neglected and lost even though the patients may be able to pay for our most skillful services. Then there is a third class who, after months of mental torture in anticipation, finally come into our hands, and, with nerves strung to a hurtful point, pass through the ordeal, but at what a cost! We do not sufficiently consider the consequences of shock in the dental chair, yet undoubtedly many suffer for months and even years from injuries to the nervous system received whilst in our hands.

The greatest duty of our profession today is to discover and adopt a mode of painlessly performing our operations."

NOTE.—The above is an abstract from a paper read by an eminent dentist of New York City before a society of dentists in Philadelphia.

The famous Hale Method of painless dentistry, for which we are sole agents for Canada is the best Method on earth.

A large number of men attended the Bible Class in Stone Church Sunday morning last night. Rev. G. A. Kurling's address on Christ, speaking in the synagogue to the Jews was closely followed. Mr. Kurling will go to Chamham and Newcastle this week to lecture to the Church of England Sunday School teachers.

Many were interested to learn that Mrs. John F. Morrison has taken over the management of Carvill Hall, and will assume control on Monday next. The plans of the new owners for this well known family hotel are to conduct it in the excellent manner which made it so popular under the late owner, John H. Bond.

SLAUGHTER OF CHICKENS, DOG, BLAMED FOR IT

South End People Total up a Loss of Sixty-two Fowl.

A number of residents of Lower Cove are making efforts to capture and destroy a villainous dog which has been making inroads on their stock of poultry during the past week, and make nocturnal raids upon the henpocks of citizens, dragging the chickens from their resting place, breaking their necks, but in no case is it known to have eaten them. The untimely deaths of 62 fowl have so far been made known, and the canine in question is accused of being the cause of them. It is said to prowl about the section of the town from which the reports of the depredations come and make nocturnal raids upon the henpocks of citizens, dragging the chickens from their resting place, breaking their necks, but in no case is it known to have eaten them. One of the men who lost some fowl says he saw the dog and chased it.

The names of those who are said to have lost chickens are as follows: Wm. Evans, Brittain street, lost 15; Wiggins Orphan Asylum, 17; T. Secord, 7; Mrs. J. Greer, Sheffield street, 8; Mrs. Milligan, Broad street, 6; Mrs. Macanlay, 6, and E. Long, 3; making a total of 62.

EXHIBITION PLANS

Secretary Gleeson Brings Good Report from New England—Matter of Manager

A meeting of the executive of the St. John Exhibition Association will be held probably this week to discuss plans for the Dominion Fair to be held here next fall, as President Skinner returned home yesterday, after a visit to several of the fairs in Massachusetts, and John F. Gleeson, the secretary of the association, came back today after a tour of several weeks through the New England states.

Mr. Gleeson has been energetically advertising the St. John show and cards setting forth that the 1910 Dominion Fair would be held in St. John, N. B., and been prominently displayed. Several large manufacturing concerns across the border have already signified their intention of exhibiting here.

The association is now awaiting definite word from the militia department regarding changes they propose to make on the grounds. This matter has been delayed owing to Sir F. W. Borden's absence from Ottawa, but it will probably be taken up at once upon his return, and it is not anticipated that there will be any difficulty in the way of carrying out the plans.

The question of securing a manager will probably be taken up at the coming meeting.

POLICE COURT

There was a clean sheet in the police court this morning, no arrests having been made last night. A few prisoners who had been remanded some days ago were brought in and disposed of.

Philip Bushlan, colored, and Edward McHugh were each fined \$8 for drunkenness. Bushlan asked to be allowed to communicate with his "boss," as he had some money coming to him and would be able to pay his fine, but he was told that his employer would see in the papers that he had been arrested and would probably try to have him liberated. Nothing was said to McHugh about a charge of attempted stealing on which it was stated a few days ago a warrant had been issued for his arrest.

James Thompson, arrested last week on a charge of assaulting his wife, was fined \$20, but at the request of his wife the fine was allowed to stand, and he was given his freedom, with a promise to behave better in future.

Sarah Moran, arrested on Friday last, charged with being drunk in Sheffield street, was told this morning that she had better take a vacation of six months in the Home of the Good Shepherd.

Supt. of City Schools.

FUNERALS

There was a very large attendance at the funeral of Captain John McCaffrey this morning from his late home in Clifton street, west end, indicating the esteem in which he was held by all who knew him and the sympathy felt for his family because of his death. On the casket was placed a number of beautiful floral remembrances from personal friends and relatives of the family and also one which marked the kind regard in which Capt. McCaffrey was held by former associates in athletic circles in St. John. This was the case of the Canadian Fairbanks vs. sent by some ten or twelve men who were prominent on field or track, or in the management of athletics in the days of the old St. John Association, when Capt. McCaffrey took part in hammer throw and shot putting events.

The funeral proceeded to the Church of the Assumption, where a high mass of requiem was sung by Rev. J. O'Donovan. The church was filled for the service. Interment was made in Sand Cove cemetery. Relatives acted as pallbearers.
