A Trio of Prime Favorites BLANCH SWEET, THEODORE ROBERTS and TOM MEIGHAN

In Leighton Osmun's Story

Sweet will be seen in this thrilling Lasky production. The scenes of this unusual drama were laid in the Maine woods and Miss Sweet is seen as a daughter of an absent-minded refired, old professor. How she falls as a daughter of an absent-minded, refired, old professor. How she falls in love—a cloud is cast over her life, only to be dispelled by the man her heart desires is unfolded and explained in an intense and interesting manner. Miss Sweet is surrounded by a cast of famous players, headed by Thomas Meighan who recently scored such a success as leading man for Marie Doro in "Common Ground," and who is one of the most popular of the Lasky players; America's leading character actor, Theodore Roberts, and other members of the all-star Lasky organization including Richard Sterling and Chandler House are also included in the cast.
