R. K. Y. C. Annual.

The annual meeting of the Royal Canadian Yacht Club was held last night in the club rooms, Masonic Hall, Germain street, and was one of the most enthusiastic in the history of the club. The following officers were elected for the ensuing year: Commodore, Robert Thomson; vice-commodore, Howard E. Holder; race commodore, A. Ernest Everett; secretary, H. W. Stubbins; treasurer, H. B. Robinson; executive committee, flag officers, secretary and treasurer ex-officio, Fred S. Heane, W. O. Rothwell, Horace King, C. B. Allen, F. A. Kinnear. The following committees were chosen: Sailing committee, J. Gordon Lively, W. O. Rothwell, R. S. Farrington, H. E. Dunn, J. H. Kimball, Jr. A. H. Merrill, sailing messengers, E. Percy Howard, Walter Logan; motor boat committee, P. A. Dykeman, Fred Fleming, H. Barton, Charles T. Green, Walter Fleming; motor boat messengers, Roy P. Hinch, John D. Puckey; reception committee, flag officers, H. A. Allison, G. E. Gandy, Fred C. Jones, J. Fraser Gregor.

It was decided that the annual cruise should start on July 20 and a committee was appointed to arrange details. A letter was read from Ferguson & Page in which they donated a trophy to be known as the Ferguson & Page shield, for a series of three races to be managed and judged by the motor boat committee of the R. K. Y. C. The races are to take place during June, July and August and are to be open to members of the R. K. Y. C., St. John's Yacht Club, Westfield Outing Association, and the Renforth Outing Association. One race will be from Millville to Renforth and return; one from Millville to Renforth and return; one from Millville to Renforth and return.

The question of transportation from the street, Scott's corner, to Millville was discussed and the committee having the matter in hand reported progress. At the close Commodore Thomson presented the members for light refreshments. The various committees reported, a report being of a most satisfactory nature. The financial statement, which is already been published in this paper, showed the finances of the club to be in excellent condition.

Frederick, N. B., Feb. 6.—(Special.)—

John defeated Marville 8 to 6 here

light in the N. B. H. L. fixture, which

led to the best game played on

hockey ice this season. There was

a difference in the form displayed by

two teams, until the overtime when

John scored in each of two five-minute

ods.

As a result gives St. John a position in

league standing which should ensure

team the championship.

Liberty was the most prominent of the

MacFarland Defeats Burns.

New York, Feb. 7.—Packer MacFarland,

the Chicago lightweight, had the better

of every round except the ninth, which

was even, in a ten round fight with Kid

Burns of New York at the Fairmont Ath-

letic Club here last night. The stockyard

champion was never forced to extend him-

self, and at the end had Burns very weak

and tired, and bleeding from the nose

and mouth.

News of the Boxes.

Willie Ritchie the California lightweight

has made almost as much money during

the first month of the new year as he

did the whole year of 1911. Ritchie clean-

ed up something like \$5,000 since he started

boxing in the east.

February 12 has been set aside for Carl

Morris and Jim Smith to have a cut in

an eight-round bout at New York.

Try as he can Jack Britton has been

unable to secure another meeting with

McFarland since the pair met in

New Orleans. On that occasion Britton

is said to have sustained a fine whipping

to the stock yards fighter.

Honey Melody does not expect much

trouble gaining the award over Tommy

Purey, when he meets him in Worcester

tomorrow night. The boxing fans, how-

ever, appreciate the fact that Melody

has a stubborn proposition before him.

In a bitterly contested battle at the

Olympic A. C., New York, on Monday

night, Phil Cross soundly whipped Cy

Smith. Cross weighed 141 pounds, Smith

138. The fight went the full ten rounds.

Frank Moran, a Pittsburgh heavy-weight

knocked out Fred Storbeck, ex-heavy

weight champion of South Africa, in 12

rounds at Blackfriars, London, on Monday

night. Moran floored Storbeck three times

in the 12th round and Storbeck was un-

able to come up for the 13th.

Bill Brown, a colored middle-weight of

St. Louis, defeated Jumbo Wells of

England in a ten round boxing contest at

the Yonkers A. C. on Monday night.

Brown scored the only knock-down of the

encounter in the ninth round, when he

sent the Englishman to the mat with a

hard right to the stomach.

Bowling

New World's Records.

The Oxford Club team of the Suburban

Interclub league, in Boston, broke a

world's record for a team total against

Boston pins on Monday night, establishing

the excellent mark of 1746. Incidentally

the pin experts of that five also made a

new team string record for the season with

627.

A three-string record of 387 made by

Hixon of Oxford is also a new mark for

the season.

John Christopher, the master of the can-

dle-pin game, established a world's record

against candles for ten strings on the

Duick Alley, Lynn, by setting up the fig-

ures of 1125. Opposed to Christopher

was Archie Walsh, the champion of

Maine. Walsh's total was 1043. Harry
