**CANNED GOODS SHOW**  
40 PER CENT. ADVANCE

Montreal canners and packers yesterday sent out quotations for tomatoes. They show nearly 40 per cent. increase over the prices of last year. This year's rates are \$1.15 to \$1.25, according to brand. Information now in the hands of the wholesalers is to the effect that to date the pack is only 30 per cent. of the amount required to fill orders. Tomatoes will retail this year at two cans for 25 cents, instead of three at last year.

Local merchants find that an American centred shortage is as great as it is here.

The Inter-Society bowling league, composed of ten teams, representing the various Catholic men's societies of the city, has started with an enthusiastic swing, which seems to indicate success. On five evenings each week two of these teams clash in a lively contest, in which the interest is not merely confined to the players, but to large numbers of spectators from all sections of the city. The games are being played on St. Peter's Y. M. A. alleys, Douglas avenue, and the schedule for them has now been fully arranged. It calls for two series of games, the first ending on December 14. **JUDGE RITCHIE READS THE DEATH ROLL IN WARNING**

Then Michael Kelley is Fined \$8 on Charge of Drunkenness

An awful reminder of the fate that has met some of his other companions in liquor, was presented to Michael Kelley, an old man, this morning in the police court by Judge Ritchie, when he appeared on a charge of drunkenness. "You see that man has been on your old companions who have been on the beach with you on other occasions," said His Honor, "and yet he has advanced in years, continuing in the same practice of drinking liquor, in the very face of the horrible examples of those poor, unfortunate ones going to their death in a pitiful manner."

"You have forgotten that some of them have been found in out-of-the-way places, dead, one along Hurtenay Bay flats, another in an old shack, and so on. I could name many others if I cared to do so."

A fine of \$8 was imposed on Kelley.

**INSURANCE RATES IN CAMPBELLTON WILL BE LOWER**

Better Conditions Than Before Conflagration Will Bring About Result

Fire insurance rates in the new Campbellton will be certainly lower than under former conditions. Such is the statement made by Peter Clinch, secretary of the board of Fire Underwriters for New Brunswick, who returned last evening from Campbellton.

Mr. Clinch says that the lower rate will be the result of a better class of buildings and also be due to the fact that the buildings are being erected with considerable care. The water system has not been impaired, he says. The fire department is not yet up to its previous efficiency and much more hose and other equipment will have to be acquired.

**IT COST HIM \$50**

Liquor Case on G. T. P.—Conditions Much Improved, Says Mr. Farris

Hon. L. P. Farris, police commissioner for the G. T. P., arrived in the city last evening. Yesterday at Grand Falls, H. W. Skidmore, charged with hauling liquor to Henniger's camp, was fined \$50.

Commissioner Farris says that order along the G. T. P. is now excellent and is improving all the time. Whereas in time gone by pay day was an occasion for getting drunk things have changed greatly now, when the envelopes are distributed. It results in no change from the working days and the men are able to put by their money.

Any cases of drunkenness now are reported promptly by the contractors to the constables and attempts at a spree are nipped in the bud.

**POLICE COURT TODAY**

A fine of \$4 was allowed to stand against Samuel Emery this morning in the police court on a charge of drunkenness, as he promised to take the plea. Fines of \$4 each were imposed on Wellington War, and George Warren on the same charge.

A case against John Petre, charged with assaulting his wife and daughter in his home in Brindley street last evening, was dismissed.

His honor warned the man against quarrelling with his wife and children, and advised his wife to be more careful with her tongue as well.
