

IS PRESIDENT FOR FOURTEENTH YEAR

T. P. Regan Again Leads Automobile Association — Big Tourist Year Looked For.

For the fourteenth successive year, T. P. Regan, K. C., of Saint John, was last night elected president of the New Brunswick Automobile Association at the well attended annual meeting in the Board of Trade rooms. Vice-presidents were elected as follows: R. Downing Paterson, Saint John; R. G. Lee, Fredericton; J. A. Marven, Moncton; Hon. J. E. Michaud, Edmundston, and Max M. Mowatt, Campbellton. J. Charlton Berrie, secretary-treasurer, was reappointed.

It was decided to send a representative to the meeting of the American Automobile Association in Atlantic City in June.

There was absolutely no doubt, judged from the way inquiries were pouring in on him, Mr. Berrie said, that this year would surpass all previous ones in the number of tourists coming to New Brunswick.

Others elected at last night's meeting were: W. E. Scully, chairman of the legislative committee; C. T. Green, chairman of the good roads committee; John F. Tilton, chairman of the publicity committee; J. M. Scovil, M. L. A., St. Stephen; Commissioner R. W. Wignome, Saint John; John S. Martin, M. L. A., Chatham; E. W. Givens, Moncton; G. E. C. Gandy, Saint John; G. G. Murdoch, Saint John; Hon. Fred Magee, Port Elgin, and J. C. Berrie, secretary-treasurer, directors.

The president, on behalf of the association, presented Mr. Berrie a chair in appreciation of his service to the association.

In view of the growing business it was decided to hold meetings at noon on the first Friday of each month in the office of the secretary-treasurer. Yesterday Mr. Berrie received 23 applications from prospective tourists seeking information.

The dainty woman is ashamed of Corns

Corns show a lack of personal care and daintiness. Any woman will look after her face. A lady will take just as much care of her feet. A blemish there is just as much of a personal reproach. . . . A dainty woman keeps her feet so exquisite that they could be viewed at any time, without the faintest embarrassment. . . . There one discovers the breeding of a woman. She is peasant or princess according to the degree of her foot-daintiness.

The autocrat of the breakfast table

Fastidious appetites of old age find delight and satisfaction in Puffed Wheat

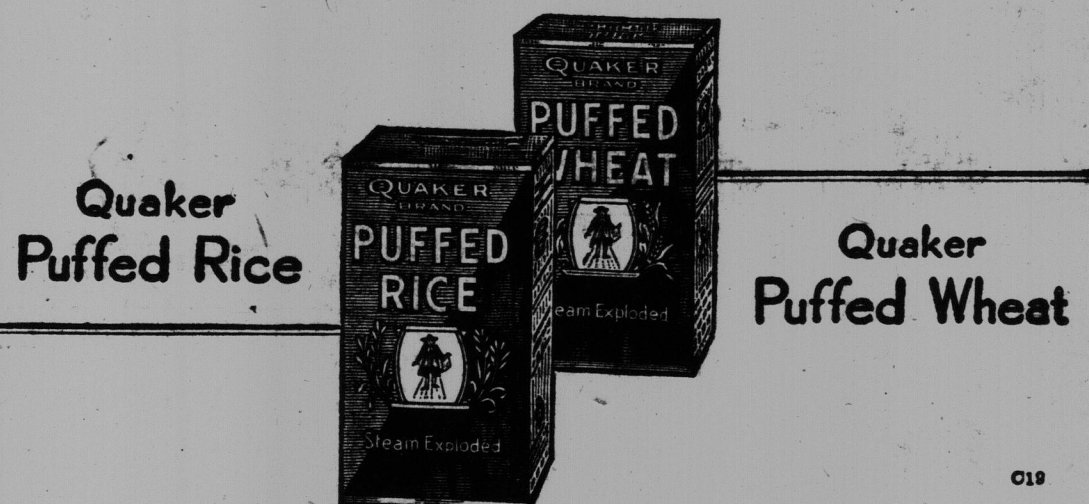

EXACTING and fastidious is the appetite of old age. It is the autocrat of the breakfast table. It demands a food that will not tax a delicate digestive system and finds it in Puffed Wheat—the food with the flavour of nut meats.

Digestion must be made easy for old age—assimilation must be assisted in every way. Quaker Puffed Wheat performs this mission. Exploded to eight times normal size, it contains all the nourishment of the whole wheat in an easily digestible form—a balanced combination of bran, minerals and carbohydrates. All cooked, ready to serve.

Served with milk or cream, these light, wholesome grains form a dish that is delectably alluring and wholesome. A package will prove it. For variety's sake, order the packages in pairs—one of Puffed Rice and one of Puffed Wheat.

For The Children Too

Quaker Puffed Rice and Quaker Puffed Wheat are a delight to children, too. They eat them as avidly as candy, and no little stomach ever suffered from too much.
