THE SPRING HILL MINING CO'Y

ince of Harlway between Truro and St. John, and at least at the Moneton end of the line. between that town and Hiviere du Loup.

Wood stoves are fast giving way to coal advers between the first named points, and it is probable that the same fact will be observable so soon as this superior coal can be introduced along the line between Moneton and Hiviere du Loup.

The Intercolonial Railway uses this coal exclusively for all locomotives and stations west of Truro.

The coal is mined in the most approved.
