Testimonial from Capt. Joshua Harper.
SACKVILLE, N. B., Feb. 13, 1877.
J. H. ROBINSON, Esq., St. John, N. B.
Dear Sir,—Early in October last I took a se-
vere cold which settled on my lungs. After
having a bad cough for about six weeks, I had
a very severe attack of bleeding from the lungs
while on a passage from Queenstown to Dover.
I had daily spells of bleeding for some days,
until I lost about two gallons of blood, and was
so weak as to be scarcely able to stand. I put
back to Queenstown, where I received such med-
ical assistance as enabled me to get home.
I saw an advertisement of your Phosphorized
Cod Liver Oil Emulsion in a paper. I imme-
diately sent and got a half dozen bottles, after
taking which I feel myself a well man again.
My weight, which was reduced to 120 pounds,
is now up to my usual standard of 152 pounds.
Seeing what it has done for me, I can confidently
recommend it to others afflicted with lung
diseases.

Yours very truly,
(Signed) JOSHUA HARPER.

THE GREAT CAUSE OF HUMAN MISERY.
We have recently published a new edition
of DR. CULVERWELL'S CELEBRATED ESSAY
of the radical and permanent cure (without
medicines) of Nervous Debility, Mental and Phys-
ical Incapacity, Impediments to Marriage, etc.
resulting from excess.
Price, in a sealed envelope, only 6 cents,
or two postage stamps.
The celebrated author in this admirable Essay
clearly demonstrates, from thirty years successful
practice, that alarming consequences may be rad-
ically cured, without the dangerous use of inter-
nal medicine, or the application of the knife;
—suffering but a mode of cure at once simple, cer-
tain and effectual, by means of which every suf-
ferer, no matter what his condition may be, may
cure himself cheaply, privately and radically.
This Lecture should be in the hands of
every youth and man in the land.
