## HUGH GUTHRIE MAKES BORDEN UNGOMFORTABLE

Guthrie, C. M. Macdonald, Hon. Wm. Pusley, F. Carvell and Dr. Clark have assuredly made Premier Borden and provide time and again by the unanimous decision of the House of Throne the most genial and agreeable traveling Throne the most genial and agreeable traveling to momenta and effective. He always is is nothing anti-British in the maker of the Minister of Trade and Com-ber for South Wellington is one of the mem-ber for South Wellington is one of the mest striking Sir Wiffid Laurier, the most striking in the thouse of Commons, and pos-trave take no and agreeable travels and the unanimous decision of the House of the unanimous decision of the Boan the traveling in the thore are on thin seed a con-that guestion until when? The date of the base decision of the great ma-that well until that day and the use of the present the take in the stated, con-that guestion until when? The date of the base decision of the great ma-that well until that day and the take are taken in his stead, con-that guestion of the great ma-that well until that day and the use and another taken in his stead, con-that use frie ture. All went well until that day and the take are taken the day and the take are taken the taken the taken the taken taken the desire of the great ma-that well work as to the present the use are taken taken the taken tak

day. Of striking appearance, next to Sir Wilfrid Laurier, the most striking in the House of Commons, and pos-sessing a fine voice and splendid de-livery he stands in the front rank of parliamentary orators. Mr. Guthrie's speech will repay close perusal. It for-lows: Mr. Guthrie (South Wellington). Mr. Speaker, whatever opinion one may en-tertain of the remarks of the hon. gen-tretain of the remarks of the hon. gen-tretain of the remarks of the hon. of lead-the man who now has the honor of lead-the as a going to direct my remarks to the man who now has the honor of lead-the man who now ha

tertain of the remarks of the hon gen-tleman who now has the honor of lead-ing this House, one must surmise in the first place that his temper is not as genial as we might expect from a man genial as we might expect from a man

ticeable on the day this House opened the hon. Minister of Public Works that something was wrong. ever saw him so irritated, nowith-standing that he should have been genial, smiling and bland. It is all that there is no friction in his Cabinet and that all is peace and harmony, but

his own discomposure inclines one to ed in Canada over that naval proposal. the protection of Canada and the pro-liever in the British Empire. I object Bui

as the Prime Minister has said, that the personnel of the Cabinet may not satisfy the leader of the opposition, but more serious question is: does it satisfy all the supporters of the right hon. gentleman himself. I need only perial armaments. refer to prominent Conservative papers
