TURNING ON THE LIGHT.

Opening his stumping tour at Nelson, the programme, purposes and aims of the Socialist party. report of the Daily News the Comrade glad reign of socialism. In pursuance ly in view the principles and aims of Socialism as interpreted by the versatile leader of conveniently elastic mind, Mr. Hawthornthwaite said the since I came down here, that Green put him out of business anyway, in There is the gospel of Socialism not been elected to serve the province, Socialism. He has nothing to do with the government or with the dirty ways remarks convey the impression that the Comrade believes the dirtier the ways of the class who have transactions with the government, the more apparent the necessity for the revolution he advocates and the sooner will which he uncovers his noble head will float over the Parliament buildings. Comrade betrays his true feelings. He is not such a fool as to turn the Tories Liberal party would give the province clean, honest government, and that just in the degree that British Columbia was given good government would the cause of Socialism lose ground and the graft of its candid but far from highpurposed leader be endangered. But what a pitiful thing politics is made to appear and what unlovely objects poliances and revelations of the Socialist A DISCOMFITED PARTY.
