A Book Of Nature.

The Winter's a book of poems,
Sorrowful fantasies,
All pictured with empty bird-nests
Held in the lonely trees.

The turquoise skies are the covers,
Begilt with sunbeams long,
The drifts of snow are the pages,
And the moaning winds the Song.

A Nova Scotia Farmer

Tell How He Was Cured Of Salt Rheum.

His Fingers, Hands and Wrists Were a Mass of Cracks and Sores, by Reason of Which He Was Unable to Work.

To the Editor of the Enterprise:—

I have read from week to week in your paper, testimonials from those who have been cured through using Dr. Williams' Pink Pills, and as I have experienced much benefit from the use of that medicine, I believe it my duty to let others know they can be relieved from a very painful malady. I am now 75 years of age, and am at the present time, and in fact ever since I took a course of Dr. Williams' Pink Pills about two years ago, have been enjoying excellent health. Before that time I had been ailing for some months, finally I was attacked with salt rheum, which came out mostly on my hands. It was not long after its first appearance before I was unable to do any work at all with my hands. I resorted to all the domestic cures I could hear of, but the disease kept on its course, getting worse and worse, until the palms of my hands and my fingers were a mass of cracks, open sores and hideous scabs. I then got medicine from the doctor, which I used for several weeks, with no benefit whatever,—my hands still becoming more and more crippled with the disease. My general health, too, at this time was poor and I got discouraged altogether, believing there was no help for the terrible complaint that was gradually spreading over my hands and up my wrists towards my arms. It happened one day in conversation with an acquaintance that Dr. Williams' Pink Pills were mentioned in connection with some other case in the neighborhood, and it was suggested that I try them for salt rheum. I had not much faith in the trial but concluded to get a box and see what good they might do. To my great delight, after using the box I found an improvement

Do you Suffer from Headache?

Mr. Frank Rideout did until he began to use Imperial Headache Powders. See below.

HARTLAND, Sept. 7, 1898.

GENTLEMEN:

I have been a martyr to sick headache all my life. I have used many so-called remedies with little or no effect. "Imperial Headache Powders" gave me immediate and permanent relief, with no depressant effects following.

in the condition of my hands, and I got six boxes more. I did not use all these for before they were gone the disease had vanished and my hands were as sound as ever. The new skin came on as smooth and fresh as if nothing had been the matter. I took no other medicine while using the pills and the whole praise of the cure is due to them. My general health was also greatly benefited by their use and I attended to my work with more energy and in better spirits than I had done for a number of years. I have been in excellent health ever since for a man of my years, and no sign of salt rheum has since appeared. The box or two of Pink Pills which I left unused were taken by my wife and did her much good. I cannot speak too highly of Dr. Williams' Pink Pills and am pleased to give my testimony to their merit, hoping others may thereby be induced to use them in cases like my own.

HENRY CHESLEY.

The editor of the Enterprise can add that Mr. Chesley is a representative farmer living about three miles from the town of Bridgewater, N. S., and the utmost reliance can be placed on his statement.

Dr. Williams' Pink Pills create new blood and in this way drive disease from the system. A fair trial will convince the most skeptical. Sold only in boxes the wrapper around which bears the full trade mark "Dr. Williams' Pink Pills for Pale People." If your dealer does not have them they will be sent post paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Value of a good Sneeze.

We all know from actual experience that a good sneeze is a wonderful loosener of nasal bronchial mucus. Sir Dyce Duckworth comes forward in The Practitioner with the suggestion that the induction of sneezing be resorted to for the purpose of raising bronchial mucus. The idea is a good one and worthy of being placed in practical operation. It has been explained how vomiting causes an expulsion of mucus or membrane from the respiratory passages, but sneezing appears to be quite efficient in doing this. Ordinary snuff or any of the nasal irritants suffices and may be blown into the nose of even a child without any danger.

How to Make Scandal,

Take one grain of falsehood, a handful of runabout, about the same quantity of limber tongue, six sprigs of backbite, and a spoonful of "don't you tell it" Add a few droys of envy, and a little discontent and jealousy, strain it through a bag of misconception, cork it in a meddlesome bottle, hang it on a skein of street yarn, and shake it well before taking. "Evil to him who evil thinks."

Mrs. WRIGHT, OF NORVAL, ONT., EXPERIENCES INTENSE SUFFERING FROM ECZEMA IN HER FEET.

Raw From Her Toes to Her Knees

Dr. Chase Makes a Wonderful Cure.

Mrs. Knight, 17 Hanover place, Toronto, makes the following statement:—

My mother, Mrs. Wright, who lives at Norval, near Doncaster, suffered a summer and winter with Eczema in her feet. She could not walk, and very seldom got any sleep. It became so bad that she was perfectly raw from the toes to the knees. After trying every available remedy without receiving any benefit, and almost hopeless of relief, she was advised to try Dr. Chase's Ointment. She has altogether used 8 boxes since commencing, but with the happiest results, for she is now completely cured. There is but one scar on one of her feet, a memento of her fearful suffering condition. Any person desiring further testimony in this case is at liberty to communicate with Mrs. Wright at her address, Norval P. O.

Mrs. Knight says after such a grand success, is it any wonder we recommend Dr. Chase's Ointment?

W. H. De Long, Civil Engineer, ex-Warden, and County Councillor, New Germany, Lunenburg Co., N. S., Oct. 28th, 1897, says:—"I had itching piles for thirty years, and have tried various kinds of pile cures, but none gave me permanent relief until I used Dr. Chase's Ointment. I have recommended it to others with the same result."

Are your Lungs worth 25 cents?

"Your money back if you want it."

After you use it once you will believe in it too. It will cost you 25 cents to try it. Are your lungs worth 25 cents?
