left centre of the Japanese position. In this valley are two Chinase villages, the one nearest Port Arthur be-ing known as Shushing. The wecond branch of the same valley extends on practically the same level as the first in an easter-ly direction to the Feng-hoang-shan hills northwest of Takuahan. Through the calivey line runs to the point where it rounds the west end of the the railway line runs to the paint where it rounds the west end of the east fortridge, and runs almost due south through the upper end of the first branch of the Shuishi Valley into Port Arthur. In the first branch of the Shuishi Valley, close to the foremost of the Unriving forts, is a small ad-vance redoubt, and upor the low ridge at the southern extremity of the first branch of the same valley, close to the outskirts of Port Arthur, are four more earthwork redoubts, with three smaller advance works, connected by protected infantry trenches across the valley from the foet of the Chair Hill to the foot of the Ehriung foothills. THE DOUKHOBORS. Has Been Rung Down on Their Agitation in Manitoba and Territories. WANTED WINNIPEG, Dec. 27 .- The curtain has been rung down on the Doukhobor agitation in Manitoba and the Territories. The four leaders of that famous uprising, fanatics who were not amenable to reason, have been arrest-ed as vagrants by the Winniber police and are now awaiting sentence. Their names are Metro Svetlikoff, Tynwfy Leonow, Alexy Machortow Weisford, Queens Co., N. B. and Nikolay Kuchtinow. Compelled by the extreme cold to seek shelter, they became a nuisance at the immigration hall, and were turned over to the police to keep them from injury. After the first great trek of 1902, in which the Doukhobors introduced an WANTED-A Second-class Female entirely new element into religious fanaticism, these unfortunate men were for the time quist, but the fol-Jemseg, Q. Co., N. B. owing fall broke out again in a new place, and secured a considerable following. This second uprising was summarily broken up and with the arrival of Peter Verigen, chief of the Kings Co., N. B. sect, there was little further trouble. The above four refused to yield to 'nfluence, however. They would not est flesh nor employ animals in farming or other pursuits. Their fol-lowing dwindled and died, and at 'ast kish P. O., Kings Co., N. B. they left the west country for Winhl-peg. All through the summer they have been holding meetings on a cor-

NEW YORK, Dec. 28 .- When Frank McLaughlin, a patrolman, appeared in the criminal court today to plead to an indictment charging assault upon James P. Robbins, a newspaper reporter, he was ordered committed to the Tombs without bail on a charge of urder in the first degree. The new charge was based upon an indictment which District Attorney Jerome said would be returned by the grand jury hen it makes its report tomorrow McLaughlin was once before arrested in connection with the case which charges the killing of John W. Pattera watchman. The coroner's jury found that he shot Patterson in selfdefence and he was discharged. The district attorney was not satisfied with that disposition of the case
