

## SUICIDES IN HIS CELL AT DORCHESTER

Prisoner Used Shoe Laces  
and Suspenders to  
Hang Himself.

HAD SERVED FIVE OF  
TEN YEARS' SENTENCE

Was Serving Time for  
Shooting Man — Disap-  
pointed Because Ticket of  
Leave Did Not Come.

Special to The Standard.  
Dorchester, N. B., Aug. 17.—A prisoner named Chesley, a Jeweller in trade, committed suicide in the Martine penitentiary about six o'clock last evening. He was about forty years of age and belonged to Lunenburg, N. S. He came here about five years ago to serve ten years for shooting a man he claimed attempted to rob him on the way home from his place of business in the night.

Last night he took his supper to his cell about five o'clock and at six o'clock was found hanging dead to his cell door by Guard Mac Belliveau while going the round in the corridors. For a noose he used his leather shoe laces attached to his suspenders. It appears he stood on his cell stool whilst he fastened the crude noose to the upper bar of the cell door and stepped off the stool. No inquest was held.

Before going to his cell he had an interview with Chaplain Thomas, who baptised him in the prison chapel some six months ago. The unfortunate man was considered a good living and well behaved prisoner. The fact is attributed to the fact that he was disappointed in not securing a ticket of leave as he expected.

## N. B. & M. LEAGUE STANDING

### CORRECT LEAGUE STANDING.

For the benefit of the baseball public. It might be stated that the standing of the New Brunswick and Maine League as being published in The Standard is correct. It has been stated by other papers that this standing is wrong, but it has been thoroughly checked from the commencement of the league last May up to the games played on Saturday last and has been found correct in every detail.

Other papers placed Fredericton in the lead of the league standing after they won the game on Friday with 35 wins and 22 lost games; they were right in the number of wins but should have given them 23 lost games. The Marathons were only credited with 37 wins when they had 38 won and 26 lost games.

St. Croix was only credited with 28 wins when they should have been credited with 29 wins and 26 lost games.

Bangor was credited with 16 wins which was correct, but only 42 lost games when they had lost 43.

By the arranging of the standing to make Fredericton look much better these papers will say credit Fredericton with a percentage of 621, when it should be 610. On the other hand they will credit the Marathons with a percentage of 573 when it should be 585. They will also, today, give St. Croix a percentage of 569 when they should have 518 and they will give Bangor 288 when this team should have but 283.

With the games won and lost by the four teams some papers will make it read 113 won and 118 games lost while the correct standing of the league, as shown in The Standard, shows 120 games won and 120 games lost.

Every game counts in a league race that is close and the correct standing is what is needed.

Secretary Donald of the N. B. and Maine League has checked and rechecked the games played this season and finds that the standing published in The Standard is the correct one.

## DEATH OF MRS. JOHN FLETT AT CHATHAM

Had Enjoyed Good Health  
Until Last Christmas —  
Was Descended from the  
United Empire Loyalists.

### Special to The Standard.

Chatham, N. B., Aug. 17.—The death occurred on Saturday afternoon at 3.30 o'clock of Mrs. Flett, widow of John Flett, of Nelson, at the home of her son, John A. Flett, merchant, of that place. Mrs. Flett had passed her 84th birthday in May last and while she had suffered from heart trouble since Christmas last the news of her demise was unexpected. She leaves four sons, Thomas W. and John A. of Nelson, and Charles S. and William J. of Boston. There also survive two brothers, B. N. T. Underhill and James Hudson Underhill, of Blackville, and one sister, Mrs. Annie Coughlan of Nelson. The funeral will be held on Tuesday afternoon at 2.30 o'clock from her late residence to St. James churchyard, interment being in St. James churchyard.

The late Mrs. Flett was a daughter of Thos. W. Underhill and was born in Blackville. She was of Loyalist descent, her family having come from the States shortly after the American revolutionary war, settling in the Nashua valley where they were granted large tracts of land by the English government. Almost perfect health had marked her long life and she had scarcely a day's illness up to last Christmas, when her heart began to trouble her. She had the fullest possession of all her faculties to the day of her death and was always of a very bright and cheerful disposition. Her demise will be learned with regret by a very large circle of friends and acquaintances.

## STAMPEDE TO GOLD FIELDS OF ALASKA

Official Report of Rich  
Find Received by Do-  
minion Government.

STRIKE FOUND NEAR  
CANADIAN BOUNDARY

Only Seventy White Men  
in District, but Prospect-  
ors have Already Started  
for the Scene.

Ottawa, Ont., August 17.—Official confirmation of the discovery of gold in Alaska, close to the Canadian boundary, has been received by the Dominion government from Commissioner George Black, of the Yukon.

The strike is described by Commissioner Black as being of considerable proportions. It was made at a point thirty miles from the Canadian Yukon boundary and three hundred miles north of White Horse. The best route is from White Horse through the Klondike district.

There are not more than seventy white men in the district, but a stampede has begun, a large number of prospectors from Seattle being on their way into the country with horses. If these men verify reports already received of the richness of the strike a big rush is expected.

Canadian customs officials are making arrangements to facilitate the passage of the prospectors with their equipment through Canadian territory.

## AUSTRALIA DEFEATED MONTREAL

Montreal, Aug. 17.—A perfectly played innings by Cody, for 121 runs, and a splendid performance by Malley, the googly bowler, were responsible for the heavy defeat of an all-Montreal team of seventeen players by the Australians on Saturday.

The Australians once again demonstrated their superiority in all departments of the game, the local players giving a very ragged exhibition of fielding, no less than four catches being dropped and many runs thrown away by faulty work in the field.

Malley in securing seven of the Montreal wickets for 25 runs, enhanced his reputation as the cleverest exponent of the googly style by bowling known in cricket, having the local batsmen guessing with his deceptive delivery of good length-break bowling. Hart Crother, Baber and Ince, all refused to accept obvious chances given by the Australian batsmen early in the innings and the loose work in the field of many of the players enabled the cornstalks to hit up a big score for the loss of only five wickets. Cody and MacArthur together before separated by Godwin, the winged wheel bowler hitting the middle stick of the former batsman when he had scored 121 runs by a splendid exhibition of clean and vigorous hitting, his innings including fourteen fours, nine threes, and eight twos.

### TORONTO TENNIS FINALS.

Toronto, Aug. 17.—In the Canadian championship tennis finals on Saturday Mrs. Bickle, Toronto, defeated Miss Florence Best, Toronto, for the ladies' single championship and Baird, Toronto, defeated Burns, Toronto, for the men's single championship. Between Baird and Burns the score was 6-2, 6-0, 3-6 and 6-1. Baird won with comparative ease, playing a steady consistent game in comparison with Burns, who was very erratic, although occasionally brilliant. Mrs. Bickle defeated Miss Best, 6-4 and 6-1. Both played well, but Mrs. Bickle's better placing contributed much to her victory. Mrs. Bickle was formerly Miss Lois Noyes. The men's double was postponed until Tuesday.
