MORE "IRREGULARITIES" EASILY
EXPLAINED AT FREDERICTON

Clergymen voluntarily testify to Good Road Work
done by Provincial Government officials in Glou-
cester County—Mr. Robinson's cheque.

Special to The Standard.

Fredricton, Aug. 17.—Charges re-
lating to the padding of pay sheets on
the Dempsey bridge, the Caribou
Creek bridge, Lamac road, and relating
to unpaid stumpage for lumber alleged
to have been cut on land leased from
the Department of Lands and Mines
by A. J. H. Stewart, M.L.A., of Bath-
urst, were taken up by Commissioner
W. B. Chandler, K.C., when he re-
opened his court of inquiry here to-
day.

At the morning session Geoffrey
Stead, the Dominion government's en-
gineer for some years at Chatham,
swore that he had purchased lumber
from P. F. Boudreau for work at Ship-
pogan Landing and had paid him \$442
on one occasion and \$294 on another.
Commissioner Chandler pointed out to
the witness that Boudreau when on
the stand at another session of the en-
quiry had sworn that he had been paid
\$200. Boudreau also stated in his evi-
dence that lumber was used at the
Caribou Creek bridge but Mr. Stead
said that all but ten pieces of lumber
had been used in the Dominion gov-
ernment work in Gloucester county
and that the remaining ten pieces
were still there.

The next charge taken up was that
of unpaid stumpage on Mr. Stewart's
lumber in Gloucester. William H.
O'Brien was the first witness called
and he swore that he had cut between
75,000 and 100,000 feet of lumber on
this land under contract from Freeman
Goodwin during the winter of 1913-14.
He also said the logs had been scaled

by one of Mr. Goodwin's scalers and
he (O'Brien) hadn't seen the govern-
ment scaler, Mr. Hayden, on the work
at all.

Alfred Doucet was the next witness
called and told of working on the land
during the winter of 1913-14 when the
lumber was cut.

On the charges regarding the work
on Lamac Road, Rev. Father Trudell
of Lamac and Rev. Father Albairé vol-
untarily gave evidence showing the ne-
cessity for the work having been done
and the present excellent condition of
the road.

The clergymen, who have been
strong supporters of the Liberal party,
expressed the opinion that the govern-
ment work of reconstructing the Le-
mac Road had been particularly cred-
itable.

Commissioner Chandler will take up
the Farm Settlement Board matters
tomorrow morning.

RED BANK

A somewhat serious auto accident
occurred at Red Bank a few days ago
when a motor owned and driven by
George Pratt, of New York, skidded
on a sly patch of road and went
over the bridge at the foot of the hill
leading to the river. John Robinson,
of Newcastle, was running the car
with a lady and two children as pas-
sengers. On falling over the bridge,
a distance of some twenty feet, the car
turned bottom up, crushing Mr. Rob-
inson and a boy about eleven years of
age underneath. The former was
very badly cut about the head, but
was able to dig himself out. The lady
and little child were thrown out of
the car in its fall and landed in a
jumble of bushes, both being badly
bruised. Dr. Beaton was summoned
and with assistance the injured per-
sons were taken to M. Sutherland's
home where they received medical
treatment.

William Sullivan, general merchant
at Red Bank, is enlarging his store
to about three times its present cap-
acity.

Mrs. John T. Hartley, of Everett,
Wash., is visiting her parents after an
absence of four years.

The marriage of Miss Eliza Harris,
of Hallowell, and Eliza Johnson, of
Lytleton, took place this week at the
home of the bride's parents. A large
number of friends were present.

of pairs of needle shields to be used

keep the needles from sticking into
anything or from dropping out of the
work. They are dainty and useful,
made in the shape of tiny boots, fin-
ished at the top with beads and pret-
ty silk. They were made by Mrs.
James Hughson, who has been an in-
valid for a number of years and who
for that reason cannot meet with the
other ladies to work for our soldier
boys.

For Boys and Girls

This week I am not letting you have a picture of Jumbo, to
paint, as I want you to try and draw him yourselves. Just get
your pen and ink, and a piece of paper, about 10 inches square,
and draw a picture of Jumbo dressed as a scout, doing some
good turn. If you wish you may then color the sketch, with
either water colors or chalks.

To the young artist, who does the best drawing I will award
a valuable story book as a prize, and to the sender of the next
best, another pretty book. You must not be more than fifteen
years of age.

It's a simple competition, no hard rules, no entrance fees,
just cut out three coupons, fill them up, pin them to the finished
drawing and send all addressed to

In Aid of the Red Cross Society (St. John Branch.)

This week I am letting you have a special sewing contest,
and I want you all to enter for the prize, as the work you send
in will be given to the above society, and the poor wounded
soldiers will be greatly comforted by your efforts. Here are
the particulars: Make a cup cover measuring 7 inches square,
using two thicknesses of ordinary cheese cloth, hand stitched
across the center and around the edges in the same way as you
made the face cloths, then sew little beads or shot on to the
corners to make the cover hang over the edge of the cup or
glass.

The cup covers are to be used to keep the flies and dust
out of the cups and glasses of milk, etc., in the hospitals of
France and Flanders and are greatly needed, pin the above
coupon to the cup covers when finished and forward not later
