GLINNAN LET OUT ON BAIL

Examination in Police Court Concluded Yesterday

MORE EVIDENCE

Detective Brennan Gives List of Aldermen Who Were Amenable to Bribes With Amount Each Agreed to Accept.

Detroit, Aug. 21.—Alderman Thomas E. Glinnan, president of the common council, and alleged receiver of bribe money was late today bound over to the Recorder's court on $1,000 bail at the conclusion of his examination in the police court, which started yesterday.

The case of Alderman David Rosenthal, charged with agreeing to accept a bribe was immediately taken up.

Detective Walter J. Brennan testifying today in the examination of Alderman Glinnan, gave further details of the "boodle trap" which resulted in the arrest of Glinnan and seventeen other aldermen and council committee clerk, Edward Schreiter. Glinnan, it is alleged, accepted $1,000 to secure the passage of an ordinance closing Seventh street for the benefit of the Wabash Railroad.

Witness Brennan told of receiving $8,100 from Andrew Green, a local manufacturer, to give to the aldermen for the passage of the ordinance and urged on by Attorney James McNamara for the defense, he gave the following list of aldermen for whom the money was intended:

Glinnan, $1,000; Theisen, $500; Tosey, $200; Ostrowski, $200; Mason, $200; Walsh, $100; Lynch, $300; Hindle, $200; Broso, $100; Deimel, $100. All of the aldermen mentioned are under arrest, but only nine of them are charged with receiving the money.

When asked what he did with the money given him by Mr. Green the witness said:

"It was counted out in the presence of Mr. Green and the serial number of the bills pictures on the bills, etc., Glinnan, for instance, was segregated and the number of the bills were taken."

The money, the witness said, was taken directly to the office in the Ford building, which had been "expressly arranged for the reception of the aldermen." In this connection the telephonic device with which it is alleged a great part of the evidence against the aldermen was obtained was brought into the testimony.

UNHAPPY VICTIMS TRAILED THROUGH MONCTON STREETS

Dokeys Tow Supposed Candidates for Initiation in Wake of Mystic Camel—Big Celebration Yesterday.

Special to The Standard.

Moncton, Aug. 21.—The 26th annual meeting of the grand lodge Knights of Pythias, of Maritime Provinces closed tonight with a grand parade of the Dokeys, otherwise known as the Dramatic Order of the Knights of Khorossen. The 62nd Regimental Band led off with a mystic camel which by means of a stout rope towed several unhappy looking individuals, presumably candidates for admission to the order. Then came a number of members in gorgeous eastern costume, knights in ordinary uniform bringing up the rear. The parade proceeded to Victoria Square, where the band rendered a musical programme which the crowd thought all too brief.

The Dokeys later assembled in Oddfellows' hall and initiated a large number of candidates. The celebration lasted until after midnight.

WANT UNIFORMITY OF ASSESSMENT OF TIMBER TRACTS

Special to The Standard.

Ottawa, Aug. 21.—The Commission of Conservation is having compiled an analysis of assessment laws of the different provinces and their application by different municipalities in regard to timber areas and lumber. It is stated that there is great lack of uniformity, and the desire to remedy the situation is expressed.

POACHER WAS CARED FOR BY CAPTAIN FOX

Wounded Illicit Ivory Trader by British Officer Nursed by British Officer Him.

NO INTERNATIONAL TROUBLE EXPECTED.

Complications Unlikely to Arise from Shooting of James Ward Rogers.

London, Aug. 21.—The death of the elephant poacher and illicit ivory trader, James Ward Rogers, a native of Wayland, Alleghany county, Michigan, while being pursued by Capt. C. V. Fox, an officer of the British army in the Egyptian service in central Africa, is not likely to result in international complications. The British foreign office has not, so far, received any communication from the United States government, and the incident is considered closed, so far as Great Britain and Belgium are concerned.

It is stated at the foreign office today that Rogers' companions, whose names are Pierce and Lane, are British subjects and not Americans. Rogers' death occurred in Belgian territory, and when Captain Fox became aware of that fact, he promptly sent a report to the nearest Belgian fort and apologized for his mistake.

A Belgian force escorted Capt. Fox to the boundary and took charge of the prisoners, who included the two men, Pierce and Lane. Officials of the foreign office believe that these were afterward released, but have no official information to that effect. Pierce was the man who was given the title of Doctor, although it appears doubtful that he was a medical man. A hundred natives were also taken prisoners and handed over to the Belgians.

It is reported that Rogers was wounded by one of his own natives in the course of a skirmish with Capt. Fox' advance scouts. Capt. Fox removed the bullet from the wound and nursed Rogers for four days until his death.

SMALL NOTES MORE IN DEMAND, LARGER BILLS NOT POPULAR

One, Two Four and Five Dollar Bills Increase in Circulation —Banks Chief Users of Others.

Special to The Standard.

Ottawa, Aug. 21.—Returns received by the Finance Department show that the circulation of small notes is substantially larger than it was last summer. Comparing the circulation of July 31, 1912 with that of July 31, 1911, there is an advance in one dollar notes of approximately $500,000; in two dollar notes of approximately $800,000; in four dollar notes of over $360,000; or in all, of between $1,600,000 and $1,700,000. In addition there is the additional circulation of the new five dollar note which at the end of July was $6,078,000. This is practically balanced by the decreased use of large notes which are used exclusively by banks. In the three weeks of August which have elapsed the circulation of fives has increased to approximately $8,250,000.

BRAMWELL BOOTH NAMED TO SUCCEED FATHER AS COMMANDER IN CHIEF

Document Appointing Late General Booth's Son to Lead Salvation Army Read Yesterday.

Press Urges That Place in Westminster Abbey be Accorded Remains of Founder of World-wide Evangelist Organization, but Friends Decide in Favor of Wife's Burial Place -- King Sends Sympathetic Message to Bereaved Family.

London, Aug. 21.—In the presence of all the Salvation Army commissioners and the principal officers in London at the international headquarters on Queen Victoria street, General Booth's testament entrusted to the Army's solicitor 22 years ago, appointing the late commander-in-chief's son, Bramwell Booth, to succeed him, was opened today and read.

Bramwell, who has been chief of staff of the Salvation Army since 1880, accepted the succession formally with much feeling. His speech was a prayer and the Scriptural reading was followed by an impressive service. Mrs. Bramwell Booth and Mrs. Booth-Holberd and other well known Army leaders were among the participants.

General Booth's funeral will be held on the afternoon of Aug. 29, at Abney Park cemetery in Stoke-Newington, where his wife is buried. The funeral procession from the international headquarters which will pass through some of the principal thoroughfares of the city, will start at noon. Many thousands of persons are expected to participate in the funeral service, for the Army which will be held on the preceding night at the great Hall of Olympia, the scene of international horse shows and various pageants and exhibitions which have chosen it for its spaciousness.

Several newspapers suggest that the general's work entitles him to lie in Westminster or St. Paul's Cathedral where many other of the nation's greatest heroes of war and peace are entombed, but his wish was to be buried beside his wife and it is doubtful if the church authorities will make the offer to place the body in the Cathedral.

General Booth's Successor.

Bramwell Booth presided at the meeting held in the international headquarters. After calling on Commissioner McKie for a prayer, the Chief of Staff announced that he had called the officers together to hear the reading of the document appointing General Booth's successor.

The army solicitor produced a large sealed envelope which had lain in his safe just twenty-two years to a day. It bore in the general's hand writing the inscription:

"The appointment of my successor, William Booth, 21st August, 1889."

After the envelope was passed around the circle of officers, Solicitor Ranger cut it open and read the formal appointment of the Chief of Staff as Commander-in-Chief. The solicitor then formally asked Bramwell Booth if he accepted the post. The Chief of Staff replied with deep emotion accepting the appointment, and expressing his keen sense of the great loss that the army had sustained and added his resolution to carry out faithfully the new responsibilities devolving upon him.

King George was one of the first to telegraph his condolences to the bereaved family. Messages were also received from Premier Asquith, the Archbishop of Canterbury and other prelates of the Church of England, the Lord Mayor of London, Sir Thomas B. Crosby, the Earl of Aberdeen and many others including representatives of all the Protestant creeds and prominent persons of the Jewish faith.

The King's Message.

King George's message was as follows:

"I am grieved to hear the sad news of the death of your father. The British nation has lost a great organizer and the poor a whole-hearted and sincere friend who devoted his life to helping them in a practical way. Only in the future shall we realize the good wrought by him for his fellow creatures. Today there is universal mourning for him. I join in it and assure you and your family of my sympathy in the heavy loss which has befallen you.

"(Signed) GEORGE R. I."

Premier Asquith telegraphed:

"I must offer you my sincere sympathy in your great loss."

The lord mayor's message read:

"The City of London sincerely mourns the passing away of its distinguished citizen, General Booth, whose great and good work entitles him to imperishable gratitude."

Lord Rothschild sent the following despatch:

"I am deeply grieved to hear of the death of your great and distinguished father. He devoted his whole life to the cause of the destitute and needy. His name will never be forgotten."

The Salvationists do not wear mourning, but at the funeral of the late evangelist they will wear white arm bands with a red cross and crown.

New York, N. Y., Aug. 21.—The announcement that Bramwell Booth will succeed his father as head of the Salvation Army, was made at Salvation Army headquarters here this afternoon after a cable message announcing the appointment had been received from London.

Memorial services national in scope in tribute to the memory of General William Booth will be held Sunday afternoon, Sept. 1, in New York city a great non-sectarian service will be held in Carnegie Hall, and at the same time throughout the country in every city and village similar services will take place.

Washington, Aug. 21.—Complete arrangements to throw a force of 2,000 bluejackets and marines into Nicaragua within ten days to protect foreign lives and property and keep railroad communication open from the American legation in Managua to the Pacific coast were made today by the United States navy department.

Meanwhile the transport Prairie had been ordered from the Portsmouth, N. H., navy yards to Philadelphia, to take aboard 750 marines and sail on to Colon. This force will be sent over the Panama Railroad to Panama and be taken on board the cruiser California and rushed northward to San Juan, Del Sur and Corinto. These plans will bring the United States forces on ships close by and already ashore in the revolution swept republic to a little more than 2,000 men.

HOUSE OVERRIDES PRESIDENT'S VETO; SENATE REFUSES

Two-Thirds Vote Necessary to Pass Legislative Appropriation Bill Not Forthcoming in Upper Chamber.

Washington, Aug. 21.—Within an hour after President Taft had for the second time vetoed the legislative, executive and judicial appropriation bill because it carried a provision to abolish the commerce court, the house today repassed it, 154 to 53, over his veto. It then went to the senate. The legislative appropriation bill failed of repassage in the senate over the president's veto. The motion to repass the measure received 34 votes to 27 on the negative, but the two-thirds necessary to over-ride the veto was 41.

PUSHING WORK ON SECTION OF GRAND TRUNK PACIFIC

Eighty Mile Gap Between Superior Junction and Cochrane Will Likely be Filled When Season Closes.

Special to The Standard.

Ottawa, Aug. 21.—Major Leonard, the chairman of the Transcontinental Railway commission, is pushing work on the line between Superior Junction and Cochrane and hopes to have steel laid on the line before the season closes. The gap at present is about 80 miles in length.

The question whether it will be possible to run freight trains over the line before winter is not settled yet. There have been several untoward circumstances, bush fires having caused delay by burning some of the temporary trestles, and the shortage of labor, which has become more acute since the opening of the harvest season in the west, haying proved a great difficulty, while there are other hindrances in the way. However, it is still possible that connection may be established between North Bay and Winnipeg by way of Cochrane and the Ontario government railway by the end of the present building season.

ISLAND ALSO IN NEED OF HELP.

Practically Dependent Upon Single Industry— Special Lectures.

Special to The Standard.

Ottawa, Aug. 21.—Hon. Martin Burrell, minister of agriculture, returned today from a trip through the Maritime Provinces. He visited Fredericton where he had a conference with Premier Flemming and the chief commissioner of agriculture, in regard to ways and means of encouraging agriculture in New Brunswick.

Mr. Burrell visited the famous Annapolis Valley, driving the length of it. The apple crop, he reports, is splendid, and will run from 800,000 to 1,000,000 barrels.

After attending the dedication of the memorial tower at Halifax, Mr. Burrell went to Prince Edward Island where he had a long conference with the government. Mr. Burrell was much impressed with the necessity of the Dominion government giving every possible assistance in the encouragement of agriculture there, as it is practically the sole industry of the province. Mr. Burrell is arranging to have both a fruit and seed specialist give special lectures and demonstrations on the island.

INTERESTS URGE TARIFF CHANGES WHEN BOUNTY ENDS

Steel People Will Memoralize Government, Emphasizing Needs of Industry — New Ideas on Subject Expected.

Special to The Standard.

Ottawa, Aug. 21.—The bounty on steel treated by the electrical process expires this year, and is one of the last of the important bounties, apart from those which are fixed by statute.

The steel interests generally are preparing to submit to the government at an early date a collective memorial, setting forth the conditions which exist in the industry, and emphasizing the necessity of such tariff changes as are necessary to meet the situation. It is intimated that it may be on lines somewhat different from last session's representation on the case.

It is understood that the Turkish territory of Northern Albania is now completely cleared of the Montenegrin invaders.

Referring to the Berana incident the Porte announced today that it would not accept responsibility for the consequences of the Montenegrin aggression. A strong Turkish force is being concentrated in the Berana district.

GALICIAN'S ODD PLIGHT

Held for Murder He Must Receive Special Government Dispensation or Forfeit His Homestead Rights.

Special to The Standard.

Ottawa, Aug. 21.—A curious point in the administration of the homestead law has come before the government here. A Galician homesteader is lying in jail in Prince Albert on a charge of murder, for which he is in due time to be tried. It appears that this involuntary engagement has made inroads upon his time, and has interfered with the punctual discharge of homestead duties. He had, it seems, nearly completed these and had he abstained from incurring the suspicions which have caused his present detention and prospective trial, he would have been in a position to apply for his patent.

With the purpose of enabling him to possess an estate which, if the worst should ensue, he could leave to his mother, a request is laid before the government of a double nature.

First, it is petitioned that he be allowed to make formal application for the patent. To do this he must appear in person at the land office and to do that he would of course be obliged temporarily to absent himself from the prison. Secondly, the government is urged in consideration of the pressing nature of his engagement in Prince Albert to overlook his enforced neglect of the homestead duties and grant him his patent. The government is still debating the question.

ARRANGEMENTS FOR CONSECRATION OF BISHOP MORRISON

Special to The Standard.

Antigonish, Aug. 21.—Reports appearing in the press as to the date of the consecration of Dr. Morrison, bishop-elect of the Diocese of Antigonish, have been thus far uncertain and conflicting. The consecratory services will be conducted by His Excellency Monsignor Stagni, Apostolic delegate, assisted by Archbishop McCarthy and Bishop Casey. Bishop Morrison will arrive in Antigonish on the afternoon of August 29 by special train from Pictou.
