

What has he said to her?

Does your glowing face cause an exclamation of pleasure?

Brilliant lights revealing every grace and every flaw; eyes fixed upon you ready to admire—can you face them unembarrassed?

Don't spoil your evening wondering about your complexion. Descend the stairs to meet your friends radiant and blooming—thrilled by the knowledge that you are looking your best.

You can have this confidence

Any young girl has a right to a soft glowing skin. Youth should not endure the thought of wrinkles, of colorless faces, of blemishes of any sort. Constant care of the skin in youth insures a clear, fresh complexion later.

You can make your skin what you will. Nature does

her part. You can do the rest. Every day the old skin dies and new skin forms in its place. What this new skin depends on the care you give it.

Skin specialists say that the best way to build up a clear, beautiful complexion, to keep the skin in a healthy, active condition, is by proper cleansing and stimulating treatments with a soap carefully prepared to suit the nature of the skin.
