At present, Lakeshore is in the lead tied with Bramalea. On Monday. PCO's travel to Etobicoke and play Tuesday against Oshawa at home. The regular seeson wraps up Thursday, July 23 against Lakeshore here in Port Credit. • It is a crucial period for the PCO's who meet nothing but strength in their next few games. One thing for sure, their scoring drought had bet-ter end because the way the

Such is what happened after PCO's jumped into a 5-1 first period lead. Their lead was narrowed to 7-5 at the end of the second before Bramalea broke it wide open in the third by outscoring PCO's 12-4 for a 17-11 triumph.
