I know Dr. Grenfell so well, that I have no hesitancy in saying that he is not likely to make an unreasonable request, and that any statement of facts he makes can be relied upon absolutely. He is doing a great public service, at great personal sacrifice, and has, I think, merited encouragement from the Government in his work. I feel sure you will, if possible, give his request favourable consideration.

Yours faithfully,

(S'g'd.) W. L. MACKENZIE KING.

The Honourable Wm. Pugsley,
Minister of Public Works,
