Dear Mr Meighan

I am sending enclosed  
in this letter to you some verse written  
by Mr E. H. Sharpe 174 Anderson Ave  
Winnipeg Man.  
We happened to meet one  
day at lunch a couple of months ago  
and we had been discussing conditions  
& so forth, and Ereror happened to be the  
subject of a remark I had made when he  
asked me if I cared for Verse I said  
yes of interesting and he handed me  
a number of copies he had composed  
and amongst them the enclosed, I asked  
him if he had sent you a copy. he said  
no. so I begged one off him and I would  
send it to you. It gives an idea of what  
people are thinking. Ereror is a back number  
I don't think the farmers have any more faith  
in him. During the last couple of years  
I have covered a large section of Sask and  
part of Alberta. And the feeling is strong in Sask  
especially for the completion of the Hudson Bay  
Road at once and as you know the stand Macdougall  
is taking. It will not be well to heat this lightly.  
Personally I cannot understand Ontario people <sup>with</sup> bucking  
this so hard. I think they are standing in their own light  
I hope you are well with kind regards  
(you might acknowledge this to Ereror) Yours truly J. A. Gilhooly
