The Rt. Hon. Arthur Meighen,
Ottawa, Canada.

Dear Sir:

As an old St. Mary's boy we feel that you will be interested in knowing of the recent formation of a Golf and Country Club in St. Marys.

You will remember the glorious expanse of creek and meadow land which lies to the left of you at the Eastern exit of the town. Like many of us you have probably fished in Trout Creek, learned to swim in The Old Black Hole, and in later years, the thought may have arisen in your mind "What an ideal setting for a Golf course."

We are glad to be able to tell you that this Spring the Old Stone town will have at her door a play ground for whosoever will play - a play ground for the people - a place of recreation where any person will find glad relief from the work and care of the battle of life.

To place this boon within the grasp of the wage-earner as well as his more affluent brother, the inevitable question of finance must be met. A joint stock company, properly chartered, has been formed - a subscription list opened - and the response has been gratifying but there is still a very considerable sum required to complete the work, so we are appealing to the Old Boys and Girls - the voluntary exiles from St. Marys - to come to our aid - for we need their aid - in this public spirited enterprise.

The stock units are \$100.00 each and for the sake of "Auld Lang Syne" we solicit your financial and moral support in our undertaking and when the summer days again lure you to the haunts of your youth added joy will be yours as you look upon one of the most picturesque Golf Courses in Western Ont-
