

45,585/3.

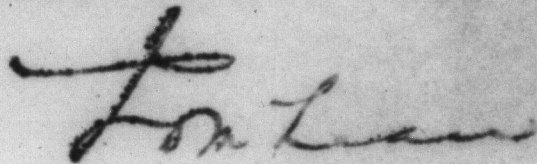

OTTAWA, 8th August, 1904.

Sir:-

A letter has been received from Mrs. Margaret McKechnie Wiarton, stating that the numbers printed on Islands Nos. 18 A, and 18 B- of the West coast of the Saugeen Peninsula do not agree with the plan, I have to request you to be good enough to engage any reliable man, or some one now in the neighborhood to correct the numbers on the Islands so as to make them coincide with the plan. He should also state whether ^{the} respective values of the Islands as noted by the Surveyor are correct.

The Island 18 A, nearest to the large Island 18- is valued at \$25.00 and the Island 18 B, farther away is valued at \$40.00.

Your obedient servant,

Secretary.
