Ottawa, 31st December, 1910.

sir,-

I am in receipt of your letter of the 17th instant in further reference to the sum of \$500.00 bequeathed from a white man named Angus Lamont to an Indian woman named Emma; and in reply I beg to inform you that you should instruct the Indian Agent Mr. Brown, to forward to the Department a statement of all receipts and disbursements up to date, which he made in connection with the receipt by him of the amount in question. We should also forward to the Department the balance of the money which he has on hand (or in the Bank). All further amounts which Mr. Brown receives for credit of Emma should also be forwarded to the Department. When the moneys are received they will be placed to her credit in the saving account. All accounts for supplies furnished the woman should be forwarded to the Department. The accounts should be properly certified by the Indian Agent and when received here, they will be paid from the amount standing to the woman's credit.

Your obedient servant,

Asst. Deputy and Secretary.
