of continents, I have already  
spoken in these terms  
in accounts - I should like  
my own & seek by good  
example to - parts of the  
world everywhere - where  
they still remain in  
lot of men.

Winston  
Come over and help us  
The people of England may  
not like my saying that  
but ~~as~~ I can perhaps  
try it, in the light of what
