PROSPECTUS

QUEBEC & MEGANTIC LAND COMPANY. CAPITAL £30,000, In Shares of Fifty Pounds each. PAVAGLE IN TEN YEARLY INSTALMENTS OF FROM £1 to £7 10s. EACH.

DURING the administration of Lord Aylmer, who

DURING the administration of Lord Aylmer, who at all times was mest anxious for the improve agent of the Eastern 5 ownships, a purchase was made of an unsurveyed Tract round Lake St Francis, in the County of Meganis, on similar terms as shower granted by the H one Government to the British American Land Company.

The purchase embrar es a tract of 220,000 acres of Land of good quality, lying contageous to the measureyed Block of the British North American Land Company, within 30 miles of Quebec.

The projectors of the Company incended throwing open the Stock on recoving the confirmation of the Secretary of State for the Colonial Department to the sale thus sands by Lord Aylmer, taking it for granted the same facilities would be given to a Company, exactiving of and vidends either natives of or residents in Cumada, as had been conceded to the British American Land Company, the greater part of the Stockholders of which reside in England. No such continuation has as yet been given, the subject of the Stockholders of which reside in England. No such continuation has as yet been given, the subject to the faire Commission, the Secretary of which is his had later stated a report had been one with the England, but some that period, December, 1816, urching has been Jone.

sent to England, but a nec that perioc, December, 1936, berhap has been done. It is proposed to divide the Stock into 600 r or 1500 cm h, payable it ten annual instalments, varying from £4 to £7 l's each. If we words in favour of this project and to state at once that there will be no exclusion whatever of any class of Her Majara L'a subject, in the settlement of the track, industry the subject, in the settlement of the track, industry ty's subjects, is the settlement of the tract, indi

b) a subjects, in the settlement of the tract, industry, and sobriety being the requisites of those whom the Company will be anxiot s to encourage. Meganic has been to long neglected, and unless some attandars is given, 'ye the prospects of extensive improvement, it is to be feared the well settled country on the Chandide: and the thriving Townships of Leeds, Inverness, H: lifax, &c. will be much restand.

tarded. To every resident in Quebec the prospect of set-tling 220,000 Acres within a day's journey of the city cannot fail of behir, interesting, for not only will all the necessaries of life be abundant but all property will be enhanced in values, for sooner or later this must be the order of the Townships.

later this must be the order of the Townships.

The Company will be carried on most economically, as only two Agents and one Surveyor will be required, one of the former to reside at Lake St.

Francis or where the mrst eligible site in the tract would be chosen for a town, and one in Quebec. A board of three unpaid Commissioners would be chosen by the Stockholders under whom the Agents would be a support of the control of the chosen by the Stockholders under whom the Agents would not.

would act.

The British American Land Company will doubt-less, act hand in hand with the present Company, if formed, for every additional settler thrown in, near their unsurveyed tract, will enhance its value, and the projectors of the Quebec and Megantic leand Company foel assured that fift goes into operation it with add new life to their operations, as the Stack-bolders in England will think more favorably of the investment they have made in this Province when they see that residents are destrous of making simi-lar ones precisely in the same tract of country. Quebec, 23rd April, 1938.

PRINTED AND PUBLISHED EVERY TUESDAY, THURSDAY AND SATURDAY, RY THOMAS J. DONOUGHUE, At the Office, No. 4, St. Antoine Street, leading to Bunt's Wharf.
