NOTICE

Tenders Wanted for Two Steel Bridges and Concrete Abutments and Piers.

First—For a Steel Bridge on the Grand River at the Village of Conestogo, in the Township of Woolwich, in the County of Waterloo, 310 feet long, 2 spans of 155 feet each, with Concrete Abutments and Centre Pier. Bridge to be 18 feet wide in the clear inside, with steel stringers and four inch pine flooring to be laid diagonally.

Second—For a Steel Bridge also on the Grand River, near Winterbourne, in the aforesaid Township, 300 feet long with 2 spans of 150 feet each, concrete abutments and centre pier, floor 16 feet in the clear with 4-inch pine plank to be laid diagonally.

Tenders will also be received for concrete floor for the said 2 bridges.

For the Winterbourne bridge tenders will also be received for a combination bridge with 3 spans of 100 feet each, with wooden abutments and bents or wooden piers, with 4-inch pine flooring as above. Parties tendering for steel bridges will kindly distinguish stringers, etc., for concrete or pine flooring or including cement floor.

Each contractor to furnish his own plan and specifications. Sealed tenders to be received up to 2 o'clock p. m. on **TUESDAY, THE 3rd DAY OF MAY NEXT.**

The Council do not bind themselves to accept the lowest or any tender. Parties tendering must name good responsible party as surety or make a deposit as may be agreed upon. The bridge at Conestogo is about 3 miles from St. Jacobs, on the Grand Trunk Railway, and Winterbourne 4 miles.

All plans and specifications must be in the Clerk's Office by 3 o'clock on the same day.

By order of the council,

JOHN I. WIDEMAN, Clerk.

Clerk's office, St. Jacob's, 12th April, 1904.

Wanted—Experienced Architectural Draughtsman. Apply stating experience, salary expected, etc., to Box 17, CONTRACT RECORD, Toronto.

TENDERS FOR SCHOOL HOUSE

Sealed tenders (marked Tenders for School House) will be received by Wm. Randelson, Secretary School Board, Huntsville, up to 8 p. m. on **WEDNESDAY, MAY 4th, 1904,** for furnishing all material and labor connected with the erection of a ten roomed Brick School House. Plans and specifications may be seen at the residence of the undersigned.

The lowest or any tender not necessarily accepted.

W. PROUDFOOT.

Tenders for a Steel Pile Trestle Bridge

Sealed tenders, addressed to the undersigned, will be received until noon on **SATURDAY, MAY 14th, 1904,** for a Steel Pile Trestle Bridge across Little Bear Creek in the Township of Dover East, County of Kent, according to plans and specifications by W. G. McGeorge, Civil Engineer, which can be seen at my office, in the City of Chatham.

The lowest or any tender not necessarily accepted.

JOHN WELSH,
Clerk, Dover Township.

Tenders For ADMINISTRATION BUILDING Exhibition Grounds

Separate tenders, addressed to the undersigned, will be received through registered post only, up to noon on

Wednesday, May 4th, 1904

for each of the various works required in the erection and completion of an

Administration Building on the Toronto Exhibition Grounds.

Plans and specifications may be seen, and all information obtained at the office of GEO. W. GOUNINLOCK, Architect, Temple Building, Bay Street, Toronto.

Tenders must be accompanied by a cash deposit, or a marked cheque, payable to the order of the City Treasurer, equal to five per cent. on tenders up to \$1,000, and two and one-half per cent. on tenders over that amount.

Should any party whose tender is accepted fail to execute the necessary contracts and bonds, and give satisfactory security for the due fulfilment of the contract, the deposit accompanying the tender will be forfeited to the city. The lowest or any tender not necessarily accepted.

The deposits of unsuccessful tenderers will be returned.

THOMAS URQUHART (Mayor),
Chairman Board of Control.
City Hall, Toronto, April 23rd, 1904.

To Contractors

Sealed tenders will be received up to **MAY 2ND, 1904,** for the Heating of the Central School, Goderich, by Steam or by Hot Air, with Excavating, Mason and other work in connection, also for Plumbing and Drains.

Plans and specifications are to be seen, and all information obtained from the office of

J. ADES FOWLER, C.E., Architect,
Albert Street.

Neither the lowest or any other tender necessarily accepted.

Tenders Wanted

Tenders will be received by the Council of the Township of Hullett, until 2 o'clock p. m. on **MONDAY, THE 16th DAY OF MAY, 1904,** for the erection of Concrete Abutments to support three small steel bridges also for a concrete arch 22 feet long and 45 inches in diameter; two of the bridges are within 2 1/2 miles of London, Ontario, and the other near Clinton. Also at the same time and place tenders will be received for the Steel Superstructure of the said three bridges, length between abutments being 12, 17 and 20 feet and 14 feet Roadway. The lowest or any tender not necessarily accepted. Specifications can be seen at the Clerk's office, London, Ontario.

JAMES CAMPBELL, Clerk.
