The action in the set. Lawrence last spring of the steamers Saturnia and Monifort. The cases will be re-opened on Thursday by Captain Demers, new Wreck Commissioner, but he will be assisted by Captain Lindsay, whom, he successful for Saturnia, it will be remembered, grounded at the Tra-verse below duebee, and the Monifort at the Beauport Shoal in Quebec har-bor. As a result of the hearing held at the time the plots of these vessels were suspended, but it has been re-presented by Sanator Choquette, act-ing for the plots, that he has new evidence which is expected to case. The grounding of the Canada at Cape Chaite will be held at the on-clusion of the an re-bearing, and there will then be an inquiry into the mis-hap met with by the C. P. R. steamer Assinboain in Georgian Bay. THOMSON LINE,

TO REOPEN CASES

nding of Saturnia and Montfor St. Lawrence Last Spring Will be Again Investigated.

THE CHARTER MARKET \* Four Steamers Fixed For Montreal. Grain Loading. New York, July 15 .- Steamer rates

New Tork, July 15.-Steamer rates were firm in all trades and in a few jinstances sight advances were record-ed. The demand for grain carriers continues active, and there is a noice-able improvement in a few other of the trade-Atlantic traders. A moder-ate amount of business was reported in chartering, including two large car-iers for Government coal to the Fas-clift for forward loading. Toninge of-fers steadily for both early and for-ward loading, with owners asking an advance in rates over the basis at pre-tent prevailing. Nothing of conse-

(10 Hull, 25 6%, option, London, 25 5%, August. British steamer Eadie: 16,000 (1) guarters, from Montreal to Cardiff or Barry, 2s 6d, option Avonmouth or Sharpness, 25 7% d, August. September, Norwegian, steamer Rauma, 20,000 quarters, from Montreal to the Medi-terranean, basis 38 3d, one port. West coast South Armerica trade, on round trip, basis about 3s 3d, August Britisb steamer Bylands, 2,119 tons West India trade, 12 months, basis about 3s 4d, July. 308.164.065 cases of certain roads enumerated In table plans of reorganizations have been worked out with yarying degrees of success, but with possible excep-tion of Atlanta, Birmingham & Atlan-ic, emergence from receivership by uny of them is not probable in near fu-tre.

NO FURTHER DEVELOPMENTS IN AUSTRIAN LINE SERVICE TO MONTREAL. The report that the Austro-Ameri-cana Line Intended to establish a re-gular fortnightly service between Montreal and Mediterranean ports has not been confirmed at the offices of their agrees here re. Relation of the aggregate of stock d bond capitalization of the group

tot been confirmed at the ornees ... heir agency here. At the present time a freight service from this port to the Mediterranean is maintained by the Austro-Americans is maintained by the Austro-Americans is maintained by the Austro-Americans Line at irregular intervals-the last sailing being the S. S. Giulia. The S.S. Gerty and Ida have carried previous argeos from Montreal this season, the bulk of which has been grain. many years was at a heavy discount from par. Another point is large proportion of receivershipped mileage which lies in Central Freight Association territory, section of country east of the Missis-sippl, west of a line drawn through Pittsburgh and Buffato, and north of Ohio river. Wabash, Pere Marquette, and Chninnati, Hamilton & Dayton are practically entirely in this ferritory, the part in which even such a pra-estioner anthority as L. D. Brandels

TRADE HAS INCREASED

Bristol Harbour Commissioner Dealing With Local Port are Growing in Volume. ner Say re practically entirely in this territory, ine part in which even such a pro-hipper authority as L. D. Brandels, dmils rates are unreasonably low. Hope is found by roads in this seca-ion in this admission that rates should be increased, and action along this line, which seems very probable, would help blans of reorganization immeasurably. essrs. Henry Riseley and Mannin

lewis, the two Bristol commissioners who have been making a tour of the world in the interests of trade to that uprt, and at the same time studying the equipment of other harbors, where resterday entertained by the Mont-estimate and the same time studying all Harbor Board to an inspection of the Port of Montreal, followed by function of the Sit Hurb Gradies. To san July Isin, Furness, withy Co., agents. Prosper III, to load grain for Eur-Cornishman, Dominion Line, Avon-mouth, James Thom, agent, Hesperian, Allan, Glasgow, To sail July 18th. H. & A. Allan, Agents. Manchester Importer, Manchester. To sail July 18th. Furness, Withy Co., Agents, Knight of the Garter, Anstralian Jorts, to sail July 20th, New Zealand Shipping Co., agents. Laurentic, White Star-Dominion, Jiverpool. To sail July 18th, Jas, Thom,

of the Port of Montreal, followed by incheson on the Sir Hugh Graham. In the morning the two Bristol dele-ates were met by Messrs, Ross, Rob-setson and Labelle, the Harbor Com-missioners, with the harbor engineer, Mr. F. W. Cowie, and Mr. M. P. Fen-inell, the assistant secretary, and were caken in the Board's automobiles for to four of inspection of the harbor form and to end. Much interest was shown by the visitors in the facilities for handling spain at the elevators with their grain carriers and they express-ed admiration at the completeness of the equipment which had been added to the port since Mr. Riseley's last juit here. Iverpool. To sail July 18th, Jas, Thom Hannover, Canada Line, Rotterdam, Hannover, Canada Line, Rotterdam, To sail July 17th, James Thom, agent Apollo, To load grain, Robt, Beford Co, agents, Wuodfield, To load grain, Furness

Ottawa, July 15.—There will be a e-hearing of the cases connected with he grounding in the St. Lawrence has pring of the steamers Saturnia and Montfort. Woodfield, To tone example Withy Co., agents. Kaduna, South African ports. Tr Triv 20th, Elder, Dempster Co

SAFETY FIRST. The Safety First Society of the United States has sent a letter to al-excursion boat owners calling their at-tention to the necessity of educating their patrons to observe the command The Careful," and to obey orders at al-hazards. The company asupplies posters for all steamers instructing passengers just what to do in case of emorgency and special request is made to have them conspicuously displayed.

With port racilities here and abroad raised to the new demands, shipping people believe that progress in the di-rection of larger becau carriers will be resumed. During thirty years the draught of big vessels has increased about 36 per cent, hergth 60 per cent and beam 48 per cent. This growth in diamensions is. Indicated in the fol-lowing tabulation: SCOTT STEAMSHIP CO. SCOTT STEAMSHIP CO. Findlary, Co., July 15.— The Scott Steameship, Co., with capital of \$600., 600, fas obtained a charier at Colum-bus, Ohio, to operate three steamship companies for the American Ship-binding, Co.
