INVALUABLE TO EVERY HOUSEHOLD!
THE MODERN FAMILY PHYSICIAN
AND HYGIENIC GUIDE.

GRANDEST BOOK PUBLISHED!

THE MODERN FAMILY PHYSICIAN AND HYGIENIC GUIDE was written by three of the
most eminent physicians known to the profession—Drs. Richardson, Ford and Vanderbeck—whose experi-
ence forms a world of learning. They have produced a volume that has for its object the prevention and
cure of disease, and so perfect is the work in every detail that nothing of the kind can approach it. The
aim of the book, to benefit mankind everywhere, has been accomplished. It is emphatically the **Grand-
est Household Work of the Times**. You want to know what to do for the various ailments of life:
how to eat, and what is the most wholesome food; how to prepare it; how to exercise; in short, how to
enjoy life?—The Family Physician tells you. The Vegetable Materia Medica provides Nature's remedies
for a multitude of complaints, and chapter upon chapter of useful knowledge completes a work never
equalled. It furnishes a Veterinary Department for the farmer worth many times the cost of the book;
hints to make a good housewife out of a poor one, and a better one out of a good one; treats of the proper
care of domestic animals—the Horse, the Cow, Sheep, Poultry, Birds—and furnishes remedies for their
many diseases. It is perfect in almost every detail, and a better executed book has never been put upon
the market. Handsomely illustrated with several hundred engravings, and carefully arranged and neatly
printed in one large volume of nearly 1300 pages. Everybody needs this great book.

ENERGETIC AGENTS WANTED. An opportunity never before offered in the book business.

WIND MILLS

Adapted for Cutting, Pumping and Grinding, and

storms have demonstrated the need of a mill practi-

mill have been entirely satisfactory; not a mill has
been damaged without the derrick blowing over or
breaking. Intending purchasers bear this in mind
and write us for prices.
