HAMILTON, March 3, 1888.

GENTLEMEN.—We hereby acknowledge the receipt of the fifteen thousand dollars, being in full payment of policy No. 1,115, on the life of the late Charles E. Freeman, Barrister, of this city, accidentally drowned in Burlington Bay, on the 13th of February. This prompt payment, with out rebate, speaks volumes for the integrity and business management of your Company, the more so that the deceased had only been recently insured, and had merely given his note on one of the Company's forms for the premium, which falls due to-day.

We specially desire to commend the Company for its promptness in this case, as the claim papers were only sent into you two days ago.

CLARENCE FREEMAN, } Executors of
ANDREW RUTHERFORD, } the last will of
F. FREEMAN, } CHAS. E. FREEMAN,
deceased.

**CONFEDERATION
Life Association.**

THE FOLLOWING PROFIT result-
in this Association will be of interest to
intending insurers:

Policy No. 618, issued in 1872, at age 30 for \$1,000 on the All-life plan. Annual premium \$27.88.

At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of TEMPORARY REDUCTION of Premium, and has had the benefit of the same.

This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years \$978, EQUAL to 46.81 per cent. of the annual premium.

The cash profits for the five years are \$42.83, equal to 41 per cent. of the premiums paid during that period.

The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$265, equal to 12.68 per cent. of the annual premium.

The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.

The next Quinquennial Division takes place as early as possible after close 1881.

HON. SIR W. P. HOWLAND, C.B. K.C.M.G.
J. K. MACDONALD,
Managing Director

In the Whole History of Medicine
No preparation has ever performed such marvellous cures, or maintained so wide a reputation, as AYER'S CHERRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in throat and chest disorders, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and operation, physicians use the CHERRY PECTORAL extensively in their practice, and clergymen recommend it. It is absolutely certain in its healing effects, and will always cure where cures are possible.

For sale by all druggists.
