CLERGYMEN

Who have plain windows in their Churches, and desire to decorate them to resemble STAINED GLASS, and stand frost and heat, send sketch and size of windows to us for estimate. We have made a new lot of patterns for Church purposes. Any one can apply these goods, and we warrant them to stand ten years if our instructions are carried out. No more necessity for painting or frosting any window; if you cannot have fine goods, you can get what will answer the purpose and look as well. Clergymen have, in some cases, taken the matter in hand, and get different members of their flock to put in a Memorial Window, which can be done from \$4 up, with inscription according to sign. Write for particulars, and send size of your window.
