Heart Trouble Cured by
MILBURN'S HEART AND NERVE PILLS

Mrs. Andrew Savoy, Grattan's, N.B.,
writes: In the year of 1906 I was taken
sick and did not think I could live any
length of time. My trouble was with my
heart and people told me that nothing could
be done for a case like mine. I consulted
the very best doctors but they could do me
no good. For seven weeks I could hardly
cross the floor. I had no pain, but was so
weak nobody in the world can believe how
I felt. I had given up all hopes of living
and had given my little girl to my sister-in-
law.

One day a friend came to see me, and call-
ing me by name, said, 'Lizzie, if I were you
I would try a dose of Milburn's Heart and
Nerve Pills as they are good for heart
trouble.' My husband got me a box, but
for two days I was not feeling any better,
but on the fourth day my husband said, 'I
believe those pills are doing you good.' I
was able to say 'Yes, I feel a good deal
better this morning.' He said, 'Well, I will
get you another box right away.' I took
two boxes and three doses out of the third
one, and I was perfectly well and have not
been sick since then.

I will never be without them in my home
for God knows if it had not been for Mil-
burn's Heart and Nerve Pills, I would not
have been alive now.

Questions & Answers

HEAVEY COUGH

A twelve-year-old horse has an old
cough, which seemed to get very
troublesome last spring. He never
coughed when working, but had a
poor appetite, and coughed badly in
the stable. The veterinarian blis-
tered, and I gave the horse a run on
pasture. Although this did some
good, yet he coughed once in a while
last fall. In the winter, when fed
on oat straw, he never coughed, but
about a month ago when commencing
on hay feed, which is clean, he com-
menced coughing again, and it has
got worse. The veterinarian called
it a throat cough. Would the fact of
this horse having no cough in winter,
and the cough coming on in spring,
point to heaves? The veterinarian
saw him working and said he did not
show heaves in the flank. Would you
please advise me what is the best to
do, as I need to work him, if pos-
sible?
J. E.
Sask.

Ans.—Your horse has a chronic
cough from some cause, but just
what that cause may be is difficult
to tell. In heaves, the appetite is
generally ravenous; in fact, the de-
rangement of the digestive organs
from over-feeding is generally the
primary cause of heaves. Horses
suffering from this disease are, as a
rule, worse during warm weather.
Heaves, therefore, may be the trouble
with your horse. As you have
pointed out, he coughs less during
the winter months. A horse afflicted
with heaves may not always heave
at the flank. In many cases the
only symptom present is the peculiar
long-drawn, hollow cough. Since he
has coughed so long, we are forced
to conclude that it is a heavy
cough, and, for its relief, great care
should be exercised in feeding. He
should be fed hay and grain that is
perfectly free from dust. The grain
should be well sifted, and the hay,
which should be of good quality,
should be well shaken up and damp-
ened with lime water. Hay, or
other bulky feed, should be fed very
sparingly, so as not to overload the
stomach and bowels. Thus there
is more room in which the
lungs may expand. The lime
water may be obtained by putting,
say, a dozen knobs of lime in a
barrel of water; when the lime has
slaked, and the sediment settled, pour
off the clear solution. This should
be used for both drinking and sprink-
ling on his feed. If possible, give
this horse always lime water to
drink.

LEGALITY OF SECOND MARRIAGE

My wife left me seven years ago and
I cannot find out whether she is living
or dead. I have not heard anything of
her in that time. If I marry again
shall I be liable for bigamy or would my
former wife have any grounds for
recovery? Would my second marriage
be legal?
Man.
J. E.

Ans.—You should apply to the
courts for a decree declaring that
your wife is dead and then you would be
at liberty to marry without any trouble.
You had better consult a solicitor as
it will be necessary to have the appli-
cation made in the regular way.

GOVERNMENT ADDRESSES

Would you advise me of the addresses
of the Commissioner of Agriculture for
Saskatchewan as I have a stallion I
want to enroll?

2. Where would I have to send for
an auctioneer's license for Saskatche-
wan?
Sask.

T. L. M.

Ans.—1. Everyone owning a stallion
should make application to have him
enrolled with the department of agri-
culture for the province in which he
lives. The address for Saskatchewan is
Regina, for Manitoba, Winnipeg and
for Alberta, Edmonton.

2. Write Attorney General, Regina,
Saskatchewan
