The Power

Behind the Publisher

SAID a prominent Vancouver citizen whom we met the other day in a central City store—"DOES THIS MAN NOT advertise in the BRITISH COLUMBIA MONTHLY? A firm like this, obviously doing well from the patronage of Vancouver people, OUGHT to show practical interest in such institutions.—built or published to serve the community which has made their success possible."

WAS HE NOT RIGHT? What think you? In that connection we remind readers that, humanly speaking, such men and firms as use advertising space in this Magazine make its life and progress possible. All who value its work are therefore invited to take note of the firms—the number of which we trust will be considerably increased soon—who, by appealing to our readers for business patronage at the same time prove themselves practical partners in the "Community Service" of this "Magazine of the Canadian West."
