#### Unclean Grain

100. In the case of unclean grain inspected in the Western Inspection Division, the inspector shall state in his certificate the percentage of dirt necessary to be removed in order to clean the grain

to the grade certified.

2. If the grain is found to be excessively and it is impracticable for the inspector when grading such grain in cars to ascertain the percentage of dirt, the inspector, from the sample taken when the cars are being unloaded, shall ascertain and state the percentage of dirt and seeds

necessary to clean such grain to grade.

3. In such case, if the dockage contains a proportion of domestic grain, that proportion shall be marked on the certificate.

## Disputes as to Grading

101. Whenever, in a division or district from which a grain survey board has been appointed, the owner or pos-sessor of any grain inspected therein is not satisfied with the inspecting officer's grading of such grain, he may ap-peal therefrom to the chief inspector, who shall view a proper sample of the grain respecting which the grading is in dispute, drawn or secured in a manner satisfactory to him, and give his deci-sion thereon, which shall be final unless the owner or possessor, within twentyfour hours after receiving the notifica tion thereof, makes further appeal to the grain survey board for the division or district, in which case the said board shall give a final decision to settle the grading of the grain in dispute; but nothing in this section shall prevent the owner or possessor of the said grain appealing directly from the inpecting officer to the said board, whose decision in all cases shall be final and binding on all parties, and the inspect-ing officer shall issue a certificate ac-cordingly. If the owner or possessor so desires he may call for a fresh sample to be drawn by the inspector for use on re-inspection or survey, the expense thereof to be borne by the applicant, and in ease it be drawn for the purpose of survey it shall be sent to the s

tary of the said board.

2. No appeal shall be considered in any case where the identity of the grain in dispute has not been preserved.

3. If the grading of the inspecting officer is confirmed by the said board the costs of the appeal, not exceeding in any case the sum of five dollars, shall be paid by the owner or possessor of the grain, otherwise by the Board.

Chip your Grain to Us!

Take advantage of our experience. We never sacrifice grain that farmers ship us. We know HOW and WHEN to sell on bulges, and we avoid selling on declines. Our business has been built up on our motto:

## "Good Returns to Farmers"

We have been established for twenty-eight years—Don't you believe our experience could be made valuable to you?

Our commission is ONE CENT per bushel—too small to pay anything to sgents. We have no agents; you get paid for every bushel you put into the car.

Send us a six or eight ounce sample of your grain and we will advise you

commission.

If your car is loaded and you cannot wait for shipping instructions, and if you are on the C.F.R. or G.T.P. By-ship to "McBean Bros., Fort William." If on the C.N.R. ship to "McBean Bros., Port Arthur."

If at all possible we strongly advise loading direct from your wagon into the car, thus preserving the identity

Send us a six or eight ounce sample of your grain and we will advise you lits real value. Even the poorest qualities can be made to draw a good price if properly handled. We understand this business thoroughly, and those are the points that count. Write us for market prospects; you need the BEST; it means MONEY to you. We are not looking for very low prices this coming season.
