JAY COOKE, Philadelphia, Chairman Finance Committee.
E. A. ROLLINS, Philadelphia, Vice-Presidents.
HENRY D. COOKE, Washington, Vice-Presidents.

1. This Company issued, in the first year of its existence 7,070 policies. Insuring over \$19,250,000, the annual premiums on which amount to over \$750,000. It affords unequalled security to its policyholders, and combines all the advantages offered by other companies, with several peculiar to itself. Its wonderful success proves this to be the most popular Life Insurance Company in the world, with the public, as well as with agents.

2. Its Cash Capital is the largest of any purely Life Office doing business in Canada, and it is the only American Life Company that has made a deposit in Canada for the benefit of "Canadian Policy Holders."

3. Its Ratio of Assets to Liabilities. The Company has by far the largest assets in proportion to its liabilities of any Life Insurance Corporation in the world.

4. Excellence of Management. It will be noticed, upon examination, that in character, standing and efficiency the Board of Direction is unsurpassed.

5. It accomplishes the greatest good to the greatest number. To those who die soon, to those who forfeit or surrender their policies, and even to those who live for a long time, it furnishes cheaper and more reliable insurance than any other company in the world.

6. Its Policies are exempt from Attachment. By the Charter it is enacted, "That any Policy taken out in favor of a wife, child, relative or other person, having interest in the life of the insured, shall not be liable to seizure by the creditors of the person so insured: Provided, that the policy does not exceed the sum of ten thousand dollars." All policies are non-forfeiting.

7. There are no unnecessary restrictions in the Policy. The insured is not restricted from travelling in any part of the United States or British Provinces, or in Europe, in time of peace. "Permits" to cross the ocean or to visit California are not required.

Annual Premium to secure \$1,000, payable at death.
