Our Staple Department offers Best Values

Judge a store by its Staple department and you will nearly always judge right. Women who know TRADING COMPANY Staples know that too much cannot be said in praise of them. But it is not to them we are talking but you, Madam, who have not tested them yet. There is a sameness in the finish of all linens and cottons that is no Criterion of quality. Only by the supreme test of service can they be judged. And it is this test that reveals the superior qualities of Trading Company staples.

Christmas Rememberances FOR FRIENDS

Oh, day for which we prepare and plan with such unselfish thought! With hearts that beat high for the delightful moment when we give our gifts and see the dear eyes light up in glad surprise.

And best of all, distance is no barrier to spreading our Christmas feelings of goodwill.

When one thinks of the vast shiploads that cross and recross the seas, the myriads of carloads that traverse the land bearing nothing but useful and beautiful things which folks will buy to give for Christmas, one realizes what a good, kind world this is.

A world in which practically everybody is striving and planning to give joy to someone at Christmas. Yes, it is a pretty good old world after all.

Gifts for the friends we love! How we puzzle our brains for gifts whose silent

eloquence shall disclose our wish to make them happy. Gifts for one's sweetheart, for sister, for mother, for aunts, cousins and relative galore. Gifts for the landlady, for the waitress and for other who have given us pleasant service.

What shall it be? Books, perfume, stationery, trinkets, fans, opera glasses, necklaces, jewels; Or maybe something strictly useful such as umbrellas, toilet cases, slippers, gloves, handkerchiefs, purses, handbags, or dainty trifles for her sewing table or bonnet.

Gifts for men! What a catalogue they would make. Think of the sporting goods, guns, boxing gloves, cards, and counters, skates, hockey sticks, snowshoes, moccasins, lacrosse sticks. Not to mention scarfs, scarf pins, rings, emblems, neckties, handkerchiefs, gloves, umbrellas, leather goods, smoking jackets, house coats and bath robes.
