The practical side of science is reflected in

A monthly publication of inestimable value to the student of every day scientific problems, the mechanic, the industrial expert, the manufacturer, the inventor—in fact, to every wide-awake person who hopes to better his condition by using his brains. The inventor, especially, will find in The Patent Record a guide, philosopher and friend. Nothing of importance escapes the vigilant eyes of its corps of expert editors. Everything is presented in clean, concise fashion, so that the busiest may take time to read and comprehend. The scientific and industrial progress of the age is accurately mirrored in the columns of The Patent Record, and it is the only publication in the country that prints the official news of the U. S. Patent Office and the latest developments in the field of invention without fear or favor. SUBSCRIPTION PRICE ONE DOLLAR PER YEAR.

A "HEROE'S" TONIC
For soldier or civilian South
American Nervine proves it-
self the greatest of system
toners, nerve healers and
blood cleansers.

A battle-scarred veteran just home from the
war in South Africa, who was all run down and
weak, the aftermath of that dread conflict, says:
"I found South American Nervine a re-
markable medicine and heartily recommend it to
everybody in need of a good tonic." It's a
grand remedy for all "run down" people. One
bottle gives great relief. A few bottles never
fail to cure.

FOREIGN MISSION CIRCLE.

The above circle met in the Plum
Hollow Baptist church on Thursday
evening, with Mrs. James White in
the chair. Miss Jennie Percival gave
a well chosen scripture reading, after
which Miss Lottie Purvis gave a re-
citation, "The Church and the World."
Mrs. Ephraim Jackson gave a choice
reading and was followed by Rev. Sim-
mons, Mr. Jones and Miss Wilson

THE CHARITY OF ALL CHARITIES THE CARE OF THE SICK CHILDREN.

What The Hospital for Sick Children on College Street, Toronto,
Has Done and Is Doing for the Little Sufferers
of the Province of Ontario.

An institution that requires about
\$34,000 a year for maintenance, an in-
stitution that depends for support on
the goodness of the generous people of
the Province of Ontario, must needs
have considerable faith in the love,
affection and generosity of the people.

While the institution is located in
Toronto its work is essentially provin-
cial. It admits not only children
from the city of Toronto but from
every city, town, village and hamlet,
yes, from every spot in the Province
of Ontario.

So when you give—be your giving
large or small—it goes for the benefit
of every child of the province that is
admitted and treated.

This statement is made because
occasional reference is made to the
Hospital as a Toronto institution for
Toronto patients, whereas every sick
child in Ontario has the same rights
and privileges as those who live
within the shadow of the great red pile
on College street.

It costs about \$34,000 per year, or a
dollar per patient, per day, to main-
tain the Hospital. The Government of
the province gives about \$7,000 a
year, or nearly eighteen cents per
head, in other words, per patient per
day. This amount is all expended in
maintenance. The corporation of the
City of Toronto does even more. It
gives \$7,500 per year or eighteen cents
per head per day, and this too goes
towards the maintenance, not only of
Toronto patients, but for every patient
in the Hospital, no matter from what
part of the province the little one may
come from. Yes, and this contribu-
tion of the corporation is increased by
from \$4,000 to \$8,000 donated by citi-
zens of Toronto for the maintenance
of all patients, to say nothing of the
\$4,000 contributed yearly by Toronto
people, the founders of maintained
and named cots in the building.

During its lifetime the Hospital has
handled 8,000 indoor patients and of
these 4,000 were cured, and 2,700 were
improved. Of these—and please note
this—1,757 came from 1,205 places in
Ontario and outside the city of
Toronto.

Ten years ago the Hospital carried a
heavy burden of debt. The building
and its furnishings cost \$150,000 and of
this \$20,000 was paid by the corpora-
tion of Toronto and \$80,000 by its citi-
zens. Year by year the debt has been
reduced and it is now down to \$13,000.
To clear the indebtedness this ap-

with interesting selections. The ad-
dress by the Rev. J. C. Sycamore on
"Gifts," our correspondent informs us,
was pure, lucid and filled with enthu-
siasm and eloquence. Mrs. Purvis gave
a practical address on Manitoba In-
dian Missions. All the above readings
and addresses were expressed and given
with more than ordinary excellence.

There was a boyant confidence mani-
fest in the beginning which increased
to the end, and all those who took part
deserve a tribute of praise. The
theme and object of the meeting were
beautifully and touchingly outlined,
and brought to view in the "Little
Chinese Girl," represented by Miss
Hazel Haskins, of Phillipsville. Miss
Hazel was dressed as the girls are in
China, and brought to view many ex-
citing scenes and incidents in humble
domestic life, which carried the sym-
pathies of those assembled. A fitting
sequel to this splendid recitation was
given by Master Jackson on "How to
use Pennies, or Eternal Value for
them." The choir, both before and
after each exercise, filled the place
with delightful melody. The Circle
certainly proved a delightful evening's
amusement and instruction, and starts
out with the membership full of energy
ready to do yeoman work in the vine-
yard.

FOUND HER LOST FORTUNE

Of health through believing what
she read—tested the claim—proved
the truth. South American Kidney
Cure cured a violent type of Kidney
Disease.

Mrs. Norman Cooke, of Delhi, Ont., de-
scribed for Kidney disease until she was tired—tried
plasters and a dozen remedies before she tried
South American Kidney Cure. When she had
used one bottle she had derived great benefit.
After taking six bottles she was cured. She was
so great a sufferer at times that she couldn't lie
down—was totally unfit for household duties.
South American Kidney Cure gives relief in
six hours.
