ACCURACY
 Absolute accuracy in dispensing your Physician's Prescription is of the first importance.
 We appreciate this fully and consequently a duly qualified and experienced Chemist is always in charge of our dispensing department. No prescription leaves our store without being thoroughly checked by him. Likewise the drugs prescribed are always of the best, in fact of standard quality and purity. Greater care, better drugs, more skilled knowledge could not possibly be employed.
 This, no doubt, accounts for the large increase in our Prescription Department, and the confidence which the public place in us.

 A young man residing not a hundred miles from Neworo had rather an embarrassing experience recently. He is a frequent visitor at a house where a young lady resides who possesses a pet cat, and, as a matter of policy, perhaps, he had allowed his friendship to spread out and envelop the aforesaid cat. Apparently the feline returned his affection; for while he was sitting in the village choir on Sunday evening the cat entered, made straight for the young man and sprang to its accustomed position on his knee. The congregation appreciated the situation, and a wave of emotion, not altogether spiritual, passed through the church.

FISHER—LILLIE
 A very pleasant affair in the form of a marriage took place on Wednesday evening, August 3rd, at the home of Mr. David L. Haskin, a relative of the bride, near Lanedowne, when in the presence of a number of guests Mr. Dunoon Fisher, proprietor of the Athens Carriage Works, was united in marriage to Miss Ada Lillie, so well and favorably known as a teacher in the Athens model school. The many friends of Mr. and Mrs. Fisher know them to be very entertaining in conversation, but it is almost needless to say that both were in their very best mood on Wednesday evening. They will be welcomed as continued residents of Athens and will have the best wishes of a large circle of friends.

Itching Skin
 Distress by day and night—That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.
 The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.
 "I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have never had any skin disease since." Mrs. Ina E. Ward, Cove Point, Md.
Hood's Sarsaparilla
 rids the blood of all impurities and cures all eruptions.
